

# NATCA Dues Reimbursement Form

Dear NATCA Member:

NATCA has decided to reimburse the dues overpayment made by controllers whose pay is set below the bottom of the old pay band, which took effect in Pay Period 6 of 2007, on a quarterly basis. In order to accomplish this by electronic transfer, it is essential we receive your individual banking information.

Please complete and return the "NATCA Dues Reimbursement Form" posted on the website (below) to the NATCA National Office as soon as possible. You may either fax the completed form to 202-628-9558, scan/e-mail it to [forms@natcad.org](mailto:forms@natcad.org), or return it via mail to the following:

NATCA  
Attn: Reimbursement  
1325 Massachusetts Avenue, N.W.  
Washington, D.C. 20005

Should you desire NOT to receive your reimbursement of the dues overpayment, please check the appropriate box on the form. All monies not reimbursed to members will be marked for use as part of the NATCA general funds.

Please remember, you will not be reimbursed unless you return the Reimbursement Form.

In Solidarity,  
Paul Rinaldi  
President
