

## **Lifetime Retired Membership (RNAV)**

### **Dues Structure change for RNAV Auxiliary members proposal from RNAV Committee:**

1. Every RNAV member or retiring NATCA member will have the option to pay \$35.00 annually or a onetime lifetime fee of \$350.00. (The requirement to be a NATCA member for one year prior to retirement remains in effect.)
2. Any member who pays the lifetime fee will receive a polo shirt with the RNAV logo / "Lifetime Member" and a certificate indicating they are a lifetime member of NATCA.
3. Upon NEB approval to 12-31-2012, if the member has already made one or more annual payments, they may pay a pro-rated lifetime fee to make up the difference to a total of 10 years and they will receive their shirt and certificate.
4. Any member that has already paid for 10 years or more shall receive their shirt and certificate without further payment.
5. Any member that begins paying annually should be able to convert to a lifetime membership at any time by paying the \$350.00 fee and they should receive a shirt and certificate. But, the credit for previous annual payments is only good until December 31, 2012.
