Hollingsworth: And one papa mike climb and maintain flight level three one zero.

N501PM: Three one zero, two papa...uh one papa mike.

Hollingsworth: November one papa mike cleared direct Fort Wayne.

N501PM: Direct Fort Wayne, two papa mike, one papa mike.

Hollingsworth: Southwest 980 turn one five degrees right.

SWA980: 15 right for southwest 980. [stuck mic]

Hollingsworth: Somebody with a stuck mic, check your mics.

Hollingsworth: Five zero one papa mike climb and maintain flight level three one zero. [stuck mic]

Hollingsworth: Somebody has a stuck mic, everybody check your mics. [stuck mic] (heavy breathing).

Hollingsworth: November five zero one papa mike radio check.

N501PM: Five zero, five zero one papa, one papa mike, go ahead.

Hollingsworth: November five zero one papa mike how do you hear Fort Worth Center?

N501PM: I hear...pretty good (heavy breathing).

Hollingsworth: November one papa mike do you need a descent clearance?

Hollingsworth: November five zero one papa mike radio check please.

N501PM: I can hear you (unintelligible) five zero one papa mike.

Hollingsworth: November five zero one papa mike I think you need to start a descent can you do that for me, descend and maintain flight level two four zero?

N501PM: (heavy breathing)

Hollingsworth: November five zero one papa mike if you can hear me you need to uh, probably start your descent, descend and maintain flight level two four zero.

SWA980: ...I don't know if you can hear that guy but he does not sound good.

Hollingsworth: Yeah I know, and I'm trying to get him to start his descent if he can but he's not responding.

N501PM: (unintelligible).

Unknown a/c: Oxygen... oxygen.

Hollingsworth: And I don't know if it's somebody else telling him, one papa mike if you got oxygen try that, and you can descend now to flight level one eight zero.

N501PM: (unintelligible).

Hollingsworth: November one papa mike, if you got the oxygen try that and descend and maintain flight level one eight zero.

Hollingsworth: November five zero one papa mike radio check.

N501PM: Five zero one papa mike.

Hollingsworth: November five zero one papa mike, you're sounding a little better if you've got oxygen try that you can descend and maintain flight level one eight zero. How do you hear?

N501PM: copy...

Hollingsworth: November five zero one papa mike, I see you're out of 27 now descending, maintain flight level one eight zero and uh try some oxygen.

N501PM: Five oh one papa mike descending.

Hollingsworth: November five zero one papa mike descend and maintain one 4,000.

N501PM: One 4,000, two papa mike.

Hollingsworth: Southwest 460 contact Fort Worth Center one three three point eight seven.

SWA460: Three three eight seven, great job, see ya.

Hollingsworth: Thanks, everybody else standby, November five zero one papa mike, how do you hear?

N501PM: Oh one papa mike, we hear ya.

Hollingsworth: November one papa mike roger, you feeling any better?

N501PM: Yes we are, thanks for the help. For some reason the cabin altitude was showing okay but it uh we had some oxygen issues so, down to uh 18 or lowest we can get.

Hollingsworth: November one papa mike descend and maintain one four thousand, we'll get you down there first and take a look at it and see, let us know if you need to go anywhere else but you do sound a whole lot better. You were not sounding good at all earlier.

N501PM: Yeah something happened there, we kept checking the altitude, it looked fine but, anyway, we'll go down to one-four thousand and we should be good. We'll just uh, figure our flight plan when we uh wind up much shorter than uh go from there.

Hollingsworth: November one papa mike roger, and I may be switching you to another frequency, give me just a minute.

N501PM: That's fine, we're good now, thanks.
