Employees covered by this Agreement shall have the full protection of all rights to which they are entitled by the Constitution of the United States.

Now, therefore, the Parties hereto agree as follows:

ARTICLE 1
PARTIES TO THE AGREEMENT

Section 1. This Agreement is made by and between the National Air Traffic Controllers Association, AFL-CIO, hereafter referred to as the “Union”, and the Department of the Navy, United States Marine Corps, Marine Corps Air Station, Cherry Point, North Carolina, hereinafter referred to as the “Employer.”

Section 2. The Employer hereby recognizes that the Union is the Exclusive Representative of all Employees in the Unit as described in Section 3 below.

Section 3. The Employer hereby recognizes the Union as the exclusive bargaining representative of all Employees classified as GS-2152, Air Traffic Control Specialist employed at U.S. Marine Corps Air Station, Cherry Point, North Carolina, as certified by the Federal Labor Relations Authority (FLRA) on September 6, 1990, see Appendix A of this Agreement. Excluded are all Professional Employees, Management Officials, Supervisors, and Employees described in 5 U.S.C. 7112 (b) (2), (3), (4), (6), and (7).

Section 4. If the Unit described in Section 3 is modified by the FLRA, this Agreement shall apply to the Unit as modified, in accordance with applicable law, rule, and regulation.

ARTICLE 2
UNION REPRESENTATION/OFFICIAL TIME

Section 1. The Employer recognizes the local President’s authority for administration of this negotiated agreement and for dealing with the Employer on issues and concerns affecting BUEs, grievances, and other appropriate matters.

Section 2. The local President of the Union may designate a minimum of one (1) designee to meet/deal with the Air Traffic Control Facility Officer (ATCFO) and/or his/her designee. Unless otherwise designated by the Union, the local President of the Union and/or his/her designee are the only Union representatives authorized to bind the Union to any agreements and/or settlements made between the Parties. The local President of the Union will designate from among the Employees in the Unit, one (1) Union representative for each (ATC) Crew. The Union representatives specified in this section are the only individuals authorized to serve as bargaining unit employee representatives in dealings with management officials.

Section 3. During the conduct of mutually agreed upon meetings to discuss Union related business with the Employer, the Union representative, if he/she desires, may be accompanied by one (1) other Union representative. If other management officials and/or agents are present, the Union shall be afforded additional representatives in equal numbers. All Union representatives shall be on official time, in accordance with 5 U.S.C. 7131.

Section 4. The Employer agrees to meet with National and Regional level officials or their designees at mutually agreeable times and places.

Section 5. As specifically provided under 5 U.S.C. 7114 (a)(2)(A), the Union shall be given advance notice and the opportunity to designate a representative to attend any formal discussion between one (1) or more representatives of the Employer and one (1) or more BUEs in the unit or their representatives concerning any grievance or any personnel policies or practices, or other general condition of employment. The Employer shall advise the Union at the corresponding level, in advance, of the subject matter.

Section 6. The Employer agrees to authorize Union representatives a reasonable amount of official time to prepare for meetings with management officials and to perform the duties of their office. Meetings with the Employer, formal or informal, shall be on official time.

Section 7. Any Union representative, upon his/her request, will be allowed access for representational purposes (consistent with security requirements) to any facility leased, owned, or otherwise occupied by the Employer where BUEs are located.

Section 8. Unless prohibited by operational requirements, each calendar year, the Union will be granted up to a total of one hundred and twenty eight (128) hours of official time, for use by the Union to attend annual Union conferences, conventions, Union representative courses, and/or to receive information, briefings, or orientation by the Union, Employer, or other appropriate agencies relating to the Federal Labor Relations Program. Such meetings may be held locally, regionally, or nationally. The Union will provide the Employer with an agenda of topics to which the BUEs will be attending. Section 10. The Employer recognizes the right of Union representatives to express the views of the Union, without fear of harassment, intimidation or reprisal, provided those views are identified as Union views. This does not preclude the exercise of any management right in accordance with 5 U.S.C. 7106.

Section 11. Unless operational conditions exist, the Employer may allow up to one (1) BUE at any time to serve within National and Regional Union official positions. Upon request of the Union, the BUE will be granted Leave Without Pay (LWOP) concurrent and consistent with elected terms of office or appointment. Each request by the Union for a BUE to fill this capacity shall be for a specified period and shall be certified by the national office of the Union. A BUE on LWOP shall be entitled to all benefits provided by law, rule or regulation. Upon request, BUEs will be returned to their duty station.

Section 12. The ATCFO or his/her designee shall notify the local Union President, or his/her designee, as soon as practical whenever a BUE is hired, transferred, promoted, reassigned, or has resigned, retired, or died.

Section 6. The Employer's nepotism policies shall be uniformly administered throughout the Bargaining Unit.

Section 7. The Employer shall not take or fail to take any personnel action with respect to any Employee as a reprisal for the exercise of any appeal right granted by law, rule, regulation or the terms of this Agreement. (a) among properly ranked and certified candidates for promotion; or

(4) to take whatever actions may be necessary to carry out the agency mission during emergencies.

Section 2. Nothing in this Article shall preclude the Employer and the Union from negotiating;

a. at the election of the Agency, on the numbers, types, and grades of Employees or positions assigned to any organizational subdivision, work project, or tour of duty, or on the technology, methods and means of performing work;

b. procedures which management officials of the Agency will observe in exercising any authority under this section; or

c. appropriate arrangements for Employees adversely affected by the exercise of any authority under this Article by such management officials.

**ARTICLE 6
REPRESENTATION RIGHTS**

Section 1. When it is known in advance that the subject of a meeting is to discuss or investigate a disciplinary, or potential disciplinary situation, the BUE shall be so notified of the subject matter in

advance. The BUE shall be given a reasonable opportunity both to obtain union representation and confer confidentially with the representative before the beginning of the meeting. If during the course of a meeting it becomes apparent that discipline or potential discipline could arise, upon request, the meeting will be stopped and the BUE shall be provided a reasonable opportunity to both obtain representation and confer confidentially before proceeding. The Union retains the right to determine its representatives in accordance with Article 2 of this Agreement. This section applies to meetings conducted by all Management Representatives.

Section 2. The Employer recognizes the right of the Union to be represented at any formal discussion between Management and one or more BUEs or their Representatives concerning any grievances, personnel policies and practices, or other matters affecting working conditions of Employees in the Unit. The Employer shall provide advance notification to the Union and will advise the Union of the subject matter and intended agenda. The Union shall be given an opportunity to designate a Representative to such meetings.

Section 5. Representatives who are a subject of, or have a potential conflict of interest in an investigation, shall not represent a BUE in that investigation.

Section 6. A Union representative, while performing his/her representational duties, will not be required to disclose information obtained from a BUEs who is the subject of an investigation, unless the confidentiality of the conversation with that BUEs is waived by the representative, or an overriding need for the information is established.

ARTICLE 7 MID TERM BARGAINING/CHANGES IN WORKING CONDITIONS

Section 1. Matters appropriate for negotiation between the Parties are personnel policies, practices, and matters affecting working conditions in accordance with the Federal Service Labor-Management Relations Statute.

Section 2. It is recognized that this Agreement is not all-inclusive. The fact that certain working conditions have not been specifically covered in the Agreement does not lessen the responsibility but rather compels either Party to meet with the other for discussion and exchange of views in an effort to find mutually satisfactory solutions to matters not covered by this Agreement.

Section 3. It is agreed that all personnel policies, practices, and matters affecting working conditions, not specifically covered by this Agreement, shall not be changed or implemented by

the Employer without prior notice, to and appropriate negotiations with the Union in accordance with the Federal Service Labor-Management Relations Statute.

Section 4. For the purpose of this Agreement, negotiation means the performance of the mutual obligation of the Parties to meet at reasonable times and bargain in good faith to reach agreement with respect to the conditions of employment affecting BUEs and to execute, if requested by either Party, a written document incorporating any agreement reached.

Section 5. It is agreed that the Employer will provide the Union with an advance notice of any change(s), in written form if requested by the Union, to personnel policies, practices, procedures, and other matters concerning working conditions. The Employer will negotiate with the Union regarding the provisions of the proposed change, in written form if requested, provided the request is made within ten (10) calendar days after notification of the change(s).

Section 6. The Union may initiate bargaining in accordance with the Federal Service Labor-Management Relations Statute on personnel policies, practice(s), and matters affecting working conditions during the term of this Agreement on matters not specifically covered by this Agreement.

Section 7. Unless otherwise agreed to, the Parties will meet within fifteen (15) calendar days of a request to bargain for the purpose of reaching an agreement. All such meetings shall be at mutually agreeable times and places.

Section 8. If the parties are unable to reach an agreement within thirty (30) calendar days of commencing negotiations, the parties by mutual consent may elect to extend the negotiation period. If the matter has reached impasse, the party declaring impasse must request assistance from the Federal Mediation and Conciliation Service (FMCS) within ten (10) calendar days, or the Employer may implement. If mediation does not resolve the dispute, the parties will request assistance from the Federal Services Impasse Panel (FSIP) within ten (10) calendar days.

Section 9. When conducting negotiations, designated Union Representatives will be on official time in accordance with 5 U.S.C. 7131. The Employer agrees to adjust the schedules of Union Representatives to allow them to participate in a duty status.

Section 10. Unless a compelling need exists, the Employer shall not implement the proposed change(s) prior to completion of full and proper negotiations, except as provided for in Section 8 of this Article. BUEs involved within these negotiations will be on official time, if otherwise in a duty status, for any third party proceeding, including but not limited to, preparation and investigation.

Section 11. Memorandums of Understanding (MOU)/Memorandums of Agreements (MOA) between the Parties entered into after the effective date of this agreement will be numbered consecutively with a copy provided to the Union, the ATCFO or his designee, and the Labor and Employee Relations Office, CHRO-E.

ARTICLE 8 PROBLEM SOLVING

Section 1. The Parties recognize that the traditional methods of dispute resolution (e.g., grievance/arbitration and unfair labor practice charges) are reactive and not always the most efficient means of problem resolution. The Parties also understand that an early and open exchange of information is essential to clearly address the concerns or reservations of each Party. Therefore, the Parties agree to use the provisions of this Article to the fullest extent possible before resorting to other avenues of dispute resolution.

Section 2. The Parties to this Agreement support the following technique:

a. When a complaint/problem/concern arises, the BUE, the Union or the Employer may notify the other affected Parties within ten (10) days of the event giving rise to the complaint/problem/concern. A meeting will be held within ten (10) days of notification, which will include BUEs, the Union Representative and appropriate management representative. The party invoking the procedures outlined in this Article, whether the Union or the Employer, shall notify the other party.

b. The purpose of the meeting is to allow the BUE, the Union and the Employer to freely present, receive and/or exchange information and their views on the situation, and to seek opportunities for problem resolution.

c. If the Parties are unable to resolve the issue under this Article, the Employer shall render a decision within ten (10) days of the meeting. Once the decision has been rendered, and if appropriate, the BUE may proceed with Article 9, Section 9, Step 1. The time limits in Article 9 begin when the decision under this Article is rendered.

Section 3. This Article shall not diminish the Employer's right to discipline, where otherwise appropriate, nor shall this Article affect the rights of the Employer, the Union, or the BUE's rights under Article 9 of this Agreement.

ARTICLE 9 GRIEVANCE PROCEDURE

Section 1. A grievance will be defined as any complaint:

- a. By any BUE concerning any matter relating to the employment of the BUE;
- b. By the Union concerning any matter relating to the employment of any BUE; or
- c. By a BUE or either Party concerning any claimed violation, misinterpretation, or misapplication of any law, rule or regulation affecting conditions of employment, as provided in applicable rule, law, regulation, or this Agreement.

The Employer recognizes that BUE(s) are entitled to file and seek resolution of grievances under the provisions of the negotiated grievance procedure. The Employer agrees not to interfere with, restrain, coerce, or engage in any reprisal against any BUE or Union representative for exercising rights under this Article.

Section 2. This procedure provides for the timely consideration of grievances. Except as limited or modified by Section(s) 3, 4, 5, and/or 8, it will be the exclusive procedure available to the Parties and the BUES in the Unit for resolving grievances. Any BUE, group of BUES, or either Party may file a grievance under this procedure. The Parties will cooperate to resolve grievances informally at the earliest possible time at the lowest supervisory level. The Parties, consistent with the provisions of this Article, recognize that the joint problem solving procedures of Article 8 may be used to resolve problems through a proactive approach before resorting to formal dispute resolution procedures.

Section 3. This procedure will not apply to any grievance concerning:

- a. Any claimed violation of Subchapter III of Chapter 73, Title 5 U.S.C. (relating to prohibited political activities);
- b. Retirement, life insurance or health insurance;
- c. A suspension or removal under Section 7532, Title 5 U.S.C. (Relating to national security matters);
- d. Any examination, certification or appointment under Title 5 U.S.C. 7121 (c) (4);
- e. The classification of any position which does not result in the reduction-in-grade or pay of any Employee;
- f. The removal of probationers;
- g. Matters relating to overtime entitlement under the Fair Labor Standards Act (FLSA), as amended. The compliances and complaint system of the Office of Personnel Management (OPM) will be the procedure followed;
- h. Mere non-selection for promotion from a properly ranked and certified list of candidates, and;
- i. Reduction in force actions.

Section 4. In matters relating to Title 5 U.S.C. 2302 (b) (1) dealing with certain discriminatory practices, an aggrieved BUE will have the option of utilizing this grievance procedure or any other procedure available in law or regulation, but not both.

Section 5. In matters covered by Title 5 U.S.C. 4303 (Removal or reduction-in-grade for unacceptable performance) or Title 5 U.S.C. 7512 (Removal, suspension for more than fourteen

(14) days, a reduction-in-grade, a reduction-in-pay and a furlough of thirty (30) days or less) an aggrieved BUE will have the option of utilizing the negotiated grievance or the appellate procedures in Title 5 U.S.C. 7701, but not both.

Section 6. The Parties reserve their rights to all applicable statutory appeal procedures.

Section 7. BUEs are entitled to be assisted by the Union in the presentation of grievances. Any BUE or group of BUEs covered by this procedure may present grievances without the assistance of the Exclusive Representative, provided the Exclusive Representative has been given the opportunity to be present during the grievance proceedings. No other individual(s) may serve as the BUE's Representative in the processing of a grievance under this procedure, unless designated by the Union. The right of individual representation does not include the right of taking the matter to Arbitration unless the Union agrees to do so.

Section 8. In the case of grievances concerning disciplinary/adverse actions under 5 U.S.C. 75, the Union may elect to utilize the procedures of Section 9, 11, 12 or Section 16. Grievances filed under Section 9 should be submitted beginning with Step 2, rather than Step 1. Grievances under this Section must be initiated within fifteen (15) calendar days after the effective date of the disciplinary/adverse action.

Section 9. Grievances filed by Employee:

Step 1. An aggrieved BUE will file his/her grievance to his/her immediate Supervisor (who may be the ATCFO) within fifteen (15) calendar days of the event giving rise to the grievance or within fifteen (15) calendar days from the time the BUE may have been reasonably expected to have learned of the event. The grievance will be submitted, in writing, on the Parties' negotiated grievance form (Appendix B), and will contain the name of the grievant, the alleged violations(s), the corrective action desired, and the name of his/her Union Representative, if any. The aggrieved BUE and his/her Representative, if any, will be given a reasonable amount of official time to present the grievance. The Supervisor (who may be the ATCFO) will submit his/her decision, on the negotiated grievance form, to the Employee and/or his/her Union Representative, if any, within fifteen (15) calendar days after receipt of grievance. If the BUE or the Union is not satisfied with the Step 1 answer, the BUE or the Union may desire to elevate the grievance to Step 2.

Step 2. The grievance will be submitted on the negotiated grievance form, to the Airfield Operations Officer (AIROPSO) within fifteen (15) calendar days following the receipt of the answer at Step 1. The aggrieved BUE and his/her Representative, if any, will be given a reasonable amount of official time to present the grievance. The decision of the AIROPSO will be delivered, on the negotiated grievance form, to the BUE and Union Representative, if any, within fifteen (15) calendar days after receipt of delivery of Step 2. In suspension/adverse action cases, a decision will be delivered to the Employee within fifteen (15) calendar days of the date of the grievance. The decision will be delivered personally, in writing, to the BUE, and/or his/her Representative, if he/she is on duty. Otherwise, another appropriate method of delivery will be used wherein the delivery date to the BUEs is recorded.

Step 3. The grievance will be submitted to the Commanding General, MCAS, Cherry Point designated representative, (Assistant Chief of Staff G-1/Deputy G-1), via the Civilian Human Resources Office – East (CHRO-E) Labor and Employee Relations Office, on the negotiated grievance form, within fifteen (15) calendar days following receipt of the Step 2 decision or the day the answer was due, by certified receipt, or hand delivered. After receipt of grievance, the G-1 designated representative will advise the Union of his/her decision, on the negotiated grievance form, within fifteen (15) calendar days by certified receipt, or hand delivered. The Union may, within twenty (20) calendar days following receipt of the decision, advise the Labor and Employee Relations Office, CHRO-E, by certified receipt, or hand delivered, that it desires the matter be submitted to Arbitration.

Section 10. Grievances concerning Performance Appraisal ratings may be initiated using the procedures in Section 9. If a BUE receives an appraisal of “Unacceptable”, the action taken as a result thereof, i.e., demotion or removal may be grieved or appealed in accordance with the provisions of Section 5.

Section 11. Grievances filed by the Union or the Employer:

Step 1. In the case of any grievance which the Union may have against the Employer or which the Employer may have against the Union, the moving Party at the local or national level will submit the grievance, on the negotiated grievance form, to the other Party in writing and by certified receipt, or hand delivered, within 15 fifteen calendar days. Grievances filed by the Union must be submitted to the Commanding General designated representative (Assistant Chief of Staff G-1/Deputy G-1) via the Labor and Employee Relations Office. This must be done within fifteen (15) calendar days of the event giving rise to the grievance or within fifteen (15) calendar days of the time the moving Party may have been reasonably expected to have learned of the event and will provide the following information:

- a. name of grievant
- b. the alleged violation
- c. the facts upon which the grievance is based; and,
- d. the corrective action sought.
- e. whether they wish to make an oral presentation.

Step 2. The responding Party will answer the grievance to the moving Party, in writing, on the negotiated grievance form by certified receipt or hand delivered, within fifteen (15) calendar days following the date the grievance was received. If the moving Party is not satisfied with the answer and desires the matter to be submitted to Arbitration, they will so advise the respondent by certified receipt or hand delivery within twenty (20) calendar days following receipt of the respondents answer or the date the answer was due.

Section 12. Arbitration:

- a. The Parties will create a panel of three (3) mutually acceptable Arbitrators. Either Party may unilaterally remove an Arbitrator from the panel and another Arbitrator will be mutually selected to fill the vacancy. Arbitrators selected for panels must also agree to hear Expedited Arbitration cases as provided for in Section 16.
- b. If the Employer and the Union fail to settle any grievance arising under the Negotiated Grievance Procedure, such dispute will, upon written notice by the Party requesting Arbitration to the other Party, be referred to Arbitration, unless the initiating Party chooses to withdraw the Arbitration request. Such written notice must be by certified receipt or hand delivered not later than twenty (20) calendar days following the conclusion of the last step of the Negotiated Grievance Procedure.
- c. Within twenty (20) calendar days after receipt of the request, an Arbitrator will be selected from the panel by the Parties or by alternately striking names until one remains.
- d. The grievant, and the Union Advocate, if a BUE, will be given a reasonable amount of official time to prepare for the hearing. BUEs serving as Union Representatives, if employed by the Marine Corps Air Station, and the aggrieved BUE will be excused from duty to participate in the Arbitration proceedings without loss of pay or charge to annual leave. The Employer agrees to adjust their schedule(s) to allow them to participate in a duty status.
- e. The Union advocate during Arbitration, if a BUE, will be in a duty status to present the grievance. Unless prohibited by operational considerations, the Employer agrees to adjust the schedule of participating BUE witnesses to allow them to appear in a duty status, including travel time. Each Party will bear the expense of its own witnesses who are not employed by the DOD. The Parties will exchange lists of potential witnesses to an Arbitration hearing twenty (20) days prior to the scheduled hearing. This Section will not require the payment of overtime.
- f. The grievance will be heard by the Arbitrator as promptly as practicable on a date, time, and site mutually agreeable to the Parties. The Arbitrator will submit his/her decision to the Parties as soon as possible, but in no event later than thirty (30) calendar days following the close of the record before him/her unless the Parties waive this requirement. In matters covered under 5 U.S.C. 4303 and 5 U.S.C. 7512 which have been raised under this Negotiated Grievance Procedure, the Arbitrator will be governed by 5 U.S.C. 7701 (c)(1). The decision of the Arbitrator is final and binding. However, the Parties retain their rights under 5 U.S.C. 7122 and 7123.
- g. The expenses and reasonable compensation of the Arbitrator will be borne equally by the Parties. The Parties must mutually agree to any postponement or cancellation of any scheduled arbitration hearing. If either Party desires a verbatim transcript of the hearing, that Party will bear the full transcript expense incurred, including the cost of the transcript, if any, provided to the Arbitrator. In the event both Parties desire a verbatim transcript of the hearing, the Parties will share equally the cost of the transcript, if any, provided to the Arbitrator.
- h. The Arbitrator will confine himself/herself to the precise issue submitted for Arbitration and will have no authority to determine any other issues not so submitted to him/her. In matters

covered under Title 5 U.S.C. 4303 and 7512 which have been raised under this procedure, an Arbitrator will be governed by Title 5 U.S.C. 7701 (c)(1).

Section 13. The Parties may, by mutual agreement, agree to stipulate the facts and the issue in a particular case directly to an Arbitrator for decision without a formal hearing. Argument will be by written brief if agreed to by the Arbitrator.

Section 14. In the handling of grievances under this procedure and where law and OPM regulations permit, the Union will have access to such information as is relevant and necessary to the processing of the grievance.

Section 15. Questions as to whether or not a grievance is a matter subject to the Grievance Procedure in this Agreement or is subject to Arbitration will be submitted as threshold issues to the Arbitrator for decision.

Section 16. Expedited Arbitrations:

a. If the Union elects to process disciplinary/adverse actions under this Section, rather than Section 8, it will, within twenty (20) calendar days following the final decision by the Employer to take suspension/adverse actions, notify and advise the Labor and Employee Relations Office, CHRO-E, that it desires the matter be submitted directly to Expedited Arbitration. Within seven (7) calendar days after receipt of the request, an Arbitrator will be selected from the panel by the Parties or by alternately striking names until one remains. An Arbitrator unable to hear an expedited arbitration case within seven (7) calendar days of request, will be deemed unavailable and the next arbitrator will be agreed upon by the Parties. The Arbitrator will issue a decision as soon as possible, but not later than twenty-one (21) calendar days after the hearing has been held. The necessity for transcripts or filing of briefs will be determined on a case-by-case basis. Either Parties' requests for a transcript and/or file a post hearing brief will not delay the time frame for the Arbitrator's decision to be rendered.

Section 17. Failure of either Party to proceed with any of the time limits specified within this Article will render the grievance and/or Arbitration void or settled on the basis of the last decision given by the respondent, unless an extension of time limits has been agreed upon by the Parties. Failure of the Employer to render a decision within any of the time limits specified in this procedure, or as extended by mutual agreement, will entitle the grievant to progress the grievance to the next Step without a decision.

ARTICLE 10 DISCIPLINARY/ADVERSE ACTIONS

Section 1. For the purposes of this Agreement, a disciplinary action is defined as a suspension of fourteen (14) calendar days or less and letters of reprimand; an adverse action is defined as a removal, an indefinite suspension, suspension of more than fourteen (14) calendar days, reduction-in-grade or pay, or furlough for thirty (30) calendar days or less. The removal of

probationers is an exception to this Article and shall be governed by the provisions of Article 32 of this Agreement.

Section 2. Any action taken against a BUE under this Article must be for such cause as will promote the efficiency of the service. Actions under 5 CFR 752 must be supported by a preponderance of the evidence. Actions must be determined on the merits of each individual case.

Section 3. All facts pertaining to any disciplinary/adverse action shall be developed as promptly as possible. Actions under this Article shall be promptly initiated after all the facts have been made known to the official responsible for taking action.

Section 4. A BUE against whom an adverse action is proposed, which falls under the jurisdiction of the Merit Systems Protection Board such as removal, suspension of more than fourteen (14) days, reduction-in-grade or pay, or furloughs of thirty (30) days or less, may appeal that action to the Merit Systems Protection Board or grieve under Article 9 of this Agreement, but not both.

Section 5. A BUE against whom action is proposed under this Article and his/her Union Representative shall have the right to review all of the information relied upon to support the action and shall be given a copy upon written request.

Section 6. A BUE and his/her Union Representative shall be granted a reasonable amount of official time, if otherwise in a duty status, in cases involving disciplinary/adverse actions covered by this Agreement to review the material relied upon by the Employer in proposing a disciplinary or adverse action for the purpose of preparing and presenting answers to proposed actions covered under this Article.

Section 7. Letters of Caution, verbal and/or written counseling's will not be considered disciplinary in nature, but may be used to document future disciplinary actions, provided a copy was given to the BUE.

Section 8. In assessing penalties, consideration will be given to the length of time that has elapsed from the date of any previous offense. Such consideration will be used in determining freshness.

ARTICLE 11 DUES WITHOLDING

Section 1. The Employer shall deduct National Union dues (the regular periodic amounts required to maintain the BUE in good standing in the Union, excluding initiation fees, special assessments, back dues, fines and similar items) from the pay of all BUEs who are employed within the Unit in accordance with the following conditions:

a. The BUE either is a member in good standing of the Union or has signed up for membership in the Union subject to the payment of his/her month's dues through voluntary allotment as provided herein.

b. The BUE's salary for the payroll period involved is sufficient to cover the dues after legal and required deductions have been made.

c. The BUE has voluntarily authorized such a deduction on Standard Form 1187, request and authorization for voluntary allotment of compensation for payment of BUE organization dues, supplied by the Union.

d. Section A of Standard Form 1187 has been completed and signed on behalf of the Union by an official authorized by the Union.

e. The completed Standard Form 1187 is delivered to the Labor and Employee Relations Office, so as to reach the office no later than 4:00 P.M. on the last Tuesday preceding the payroll period during which the initial deduction is to be made for certification of eligibility to have dues withheld. Such certification shall be completed by 11:00 A.M. on the following Wednesday.

f. The completed Standard Form 1187 is transmitted by the Employer to the Employer's Customer Service Representative (CSR) office so as to reach that office no later than 12:00 noon on the last Wednesday preceding the payroll period during which the initial deduction is to be made.

Section 2. The Union shall supply Standard Form 1187 to the BUE concerned. The Union shall be responsible for the distribution of such forms to its members and for completion of Section A thereon, including the certification of the current amount of Union dues to be deducted for each payroll period.

Section 3. The amount of the Union dues to be deducted each payroll period from a BUE's salary shall remain unchanged until a notice of change in Union dues, signed by an authorized official of the Union, is received by the Technology Services Organization (TSO), Defense Finance and Accounting Service (DFAS).

Section 4. Any change in the amount of a BUE's regular dues which results in a change in the amount of the allotment deduction of the BUE, shall become effective with the deduction made on the first payroll period after receipt of a notice of change by the CSR office serving the Employer, or at a later date if requested by the Union. Change in the amount of the allotment by reason of changes in the amount of Union dues may not be made more frequently than once each twelve (12) months, measured from the date of the first change made by the Union.

Section 5. A BUE's voluntary allotment for payment of his/her Union dues shall be terminated with the start of the first payroll period following the payroll period in which any of the following occur:

a. Loss of exclusive recognition by the Union.

b. Transfer of the BUE to an organizational segment outside the Union's recognized Bargaining Unit.

c. Separation of the BUE for any reason including death or retirement.

d. Receipt, by the CSR office of the Employer, of a notice that the BUE has been expelled or has ceased to be a member in good standing of the Union.

Section 6. An allotment for the deduction of a BUE's Union dues may also be terminated, subject to the following conditions, by the BUE personally through submission to the payroll office of the Employer, Standard Form 1188, cancellation of payroll deductions for labor organization dues, or individual substitute, hereafter referred to as SF-1188, properly executed in duplicate by the individual BUE. When requested by the BUE, SF-1188 shall be furnished by the Employer.

a. BUEs may have their dues allotment terminated effective with the first full pay period following 01 September of each calendar year provided their dues withholding allotment has been in effect for at least one (1) full calendar year and the SF-1188 is received in the payroll office during the period from 01 August through 15 August of the calendar year the revocation is to be effective.

b. Those BUEs who do not meet the one (1) calendar year requirement in subparagraph 6A above, may have their dues allotment revoked beginning with the first full pay period following completion of the one (1) calendar year period provided the SF-1188 is received in the payroll office during the payroll period immediately preceding that with which the revocation is to be effective. Thereafter, terminations may be effected in accordance with the 01 September anniversary date and procedures relating thereto as covered in subparagraph 6A above.

Example: Dues withholding started with payroll period which began on 9 March 2003. One calendar year would end on 08 March 2004. Next full pay period would begin on 21 March 2004. The SF-1188 will have to be received by the payroll office during the payroll period preceding 21 March 2004, which would be from 07 March 2004 through 20 March 2004. Termination of dues allotment would be effective with payroll period beginning 21 March 2004.

c. Receipt of SF-1188 in the CSR office during any of the periods referenced above is interpreted to mean during normal working hours and days of the payroll office and excludes nonworking hours; and non-work days and holidays regardless of the calendar date on which they may occur.

Section 7. The Union having members on voluntary allotment for Union dues shall promptly notify the CSR office serving the Employer in writing when any such member of the Union is expelled or for any reason ceases to be a member in good standing.

Section 8. The Employer, through the CSR office, shall transmit to the appropriate official of the Union (as designated by the Union) within three (3) working days after each payday, all of the following:

a. An alphabetical list which shall contain the name and BUE number of each member of the Union on voluntary allotment, and the amount of the deduction made for each such BUE member. This list shall include the total amount of all such allotment deductions which are terminated with the payroll period covered, and the reason for each termination. In addition, this list shall identify any BUE member whose salary for any reason is not sufficient to cover legal and required deductions and Union dues.

b. A check drawn on the Treasury of the United States and made payable to the Union in an amount equal to the total of all such allotment deductions made.

c. The Union will provide the Employer with a routing identification number and account number to facilitate all future payment being made by electronic fund transfer (EFT).

Section 9. Dues deductions for payment of local dues under the terms and conditions contained in this Agreement for the withholding of National dues are also authorized. Local Union dues to be deducted each regular pay period shall be determined by the local. A separate SF-1187 must be submitted to authorize such deduction. If the amount of regular local Union dues is changed by the local Union under the terms contained in the Agreement, the local will notify the Employer's payroll office in writing that the amount of local dues has changed and will certify as to the new amount of local dues to be deducted each regular pay period. The local Union shall be responsible for notifying the Employer of the address where checks or electronic funds transfer (EFT) for the local Union dues should be sent. Local Union dues shall be automatically terminated upon permanent reassignment of a BUE from the Bargaining Unit.

Section 10. In addition to the regular deductions authorized for National and local Union dues, the Employer shall permit BUEs to voluntarily designate two (2) additional Union Option Plans from their pay for Union sponsored programs, provided said plans are for a lawful purpose as permitted by 5 CFR 550.

ARTICLE 12 USE OF OFFICIAL GOVERNMENT TELEPHONES

Section 1. The use of government telephones shall be authorized in accordance with this Agreement.

Section 2. Union or BUE telephone conversations shall not be monitored by the Employer, except in accordance with applicable law, rule and regulation which permits monitoring only for COMSEC (Communication Security) and emergency call purposes.

Section 3. If a BUE is required to be held over for official business, the Employer shall permit the BUE to notify his/her home via government telephone at no expense to the Employee.

Section 4. The Employer agrees to maintain a minimum of one (1) unrecorded telephone line in each break room area, tower and radar. Upon request by a BUE, the Employer shall grant BUEs

access to facility offices/spaces for the purpose of making private phone calls using personal calling cards. The Employer shall also make every reasonable effort to partition a private area to allow employees to use the unrecorded line in the radar room for making private phone calls using personal calling cards.

Section 5. When it is known in advance that more than two (2) persons will be on line for any reason, all Parties to the call shall be advised prior to the conversation. If during a telephone call more than two (2) persons come onto the line for any reason, the other Party to the call shall be advised immediately of this fact. This requirement applies to persons listening on telephone extensions or to speakerphones.

Section 6. Where not prohibited by law, all telephone lines which are being recorded will be identified by the Employer and equipped with warning devices.

Section 7. When answering a call on a recorded line, the caller shall be advised the line is recorded.

Section 8. All BUEs shall have access to the Employer's toll free telephone number (1-800-922-USMC) to contact the Employer for official business. Should the Employer change its toll free telephone number, the Employer shall notify BUEs of the change to the number.

ARTICLE 13 PUBLICATIONS

Section 1. Upon advance request by a BUE, the Employer agrees that Employer Directives, Local Instructions, and CPIs (Civilian Personnel Instructions) maintained at the CHRO-E, MCAS Cherry Point, which relate to the personnel policies, practices, and working conditions of the BUEs, shall be made available for review during the office hours of the CHRO-E. Copies of specific sections of these documents shall be provided upon request. At the BUE's option, the Employer may provide the appropriate web site to electronically access such documents in lieu of hard copies. The Employer shall provide electronic access to BUEs upon request.

Section 2. The Employer agrees to provide the Union with two (2) copies of FAA Order 7110.65_ (ATC Handbook), one (1) copy of Air Station Order P12000.6 (Civilian Personnel Manual), and one (1) copy of NAVAIR 00-80T-114 (NATOPS ATC Facilities Manual). Any updates or changes to these documents will be provided promptly after receipt by the Employer.

Section 3. The Employer agrees to provide BUEs continuous access to updated regulations, including but not limited to FAA, DOT, DOD, USMC, and MCAS Cherry Point regulations relating to Air Traffic Control currently maintained by and accessible to the ATC Training Office.

Section 4. Upon the BUE's request, the Employer agrees to provide to each BUE that desires them, one each of the following:

- a. FAAH 7110.65
- b. MCAS Cherry Point Air Traffic Control Facility Manual
- c. MCAS Cherry Point Airfield Operations Manual
- d. MCAS Cherry Point Air Traffic Control Training Guide (if the BUE is in a training status and/or if an BUE is performing OJTI)

All of the above documents are to be current with appropriate changes given promptly. After the Employer receives/implements them. BUEs are expected to update any manual they have been provided as appropriate.

Section 5. The Employer agrees to maintain the most recent edition of the MCAS Cherry Point Civilian Personnel Manual within the Tower and Radar Branch of the Facility.

Section 6. The President and/or their designee shall have unlimited access to a current hard copy of all Sectionals, Supplements (IFR/VFR), Charts, FAA/DOD Orders and Notices which relate to personnel policies, practices, and working conditions for BUEs in the bargaining unit maintained by the ATC Training Office and the Flight Clearance Branch located within the Airfield Operations Department.

Section 7. Unless otherwise restricted by federal law and upon request, BUEs shall be allowed to make a copy of any and all documents that BUEs are directed or requested to sign, initial, or review. Documents with more than ten (10) pages will be available for review and are not subject to this section.

ARTICLE 14 POSITION DESCRIPTIONS

Section 1. Each BUE covered by this Agreement shall be provided a Position Description (PD), which is consistent throughout the Activity and accurately reflects the duties of his/her position. If a BUE believes that his/her Position Description is not accurate, he/she may request a review by his/her Supervisor and, upon request, may be accompanied by a Union representative.

Section 2. Upon request of the Union, the Parties will review all bargaining unit Position Descriptions.

Section 3. All proposed changes to the Position Description of bargaining unit BUEs shall be forwarded to the Union, in advance, for comment. Any changes that affect conditions of

employment of bargaining unit employees will be negotiated as required by law and in accordance with Article 7 of this Agreement.

Section 4. Classification Review and Appeals

a. Any BUE dissatisfied with the classification of his/her position will first discuss the matter with his or her immediate supervisor. The BUE may elect to be represented by the Union for this discussion. This is the beginning of the informal review process. If the supervisor is unable to resolve the issue to the BUE's satisfaction, the supervisor will, at the BUE and/or the Union's request, arrange for the BUE to discuss his/her dissatisfaction with the appropriate Human Resources staff member(s). A BUE, upon request, will have access to pertinent information directly related to the classification of his/her position. If the BUE believes, after discussing with the appropriate Human Resources staff member(s) that there is an error he/she may file an appeal to the agency or OPM as appropriate.

b. When a BUE notifies the activity that he/she wishes to file an appeal regarding job title, series, or grade, he/she shall be furnished, upon request, information on appeal rights and procedures in applicable regulations. A BUE may elect to be represented by the Union when appealing and when discussing appeal rights and procedures with the Human Resources Office.

c. Classification reviews and job grading appeals will be submitted and processed in accordance with applicable regulations.

d. The effective date of a personnel action directed by an appeal decision shall be as prescribed in applicable regulations unless otherwise specified by OPM.

ARTICLE 15 PERFORMANCE STANDARDS AND EVALUATION

Section 1. Performance appraisals shall be based only on a written comparison of actual performance against written standards for the duties and responsibilities in the position description. A copy shall be provided to the BUE within fifteen (15) days of the BUE's signature on the performance appraisal form. Grievance time limits shall not begin until the day after the BUE receives his/her copy of the final signed document. Performance standards shall be applied uniformly throughout the bargaining unit.

Section 2. The Parties agree that performance standards are written for the primary duties and responsibilities described in the Position Description and must be used as the only basis for comparing the BUE's actual job performance against the requirements (duties and responsibilities) of the position.

Section 3. Members of the bargaining unit shall be rated by their Facility Watch Supervisor (FWS).

Section 4. The Parties agree that the two (2) level Performance Management Program, as established by MCO 12430.2, shall be utilized. The Employer shall use form NAVMC 11408 to assess BUE performance under this Article. Any changes to the Performance Management Program affecting bargaining unit BUEs shall be negotiated with the Union in accordance with Article 7 of this Agreement.

Section 5. The BUE's signature, after the review of his/her performance evaluation, indicates that he/she has reviewed the completed appraisal record and that it has been discussed with him/her. The BUE's signature shall not be taken to mean that he/she agrees with all the information or that he/she forfeits any rights of review or appeal. During any discussions regarding performance, the BUE shall be advised, in advance, of the right to make comments. The BUE shall receive copies of any documentation and records made of these discussions. Any written BUE comments shall be appended to any documentation of a performance review.

Section 6. At any time during the performance appraisal cycle that a BUE's performance is determined to be unacceptable in one (1) or more critical elements, the BUE's FWS shall notify the BUE, in writing, of the critical element(s) for which performance is unacceptable and inform the BUE of the performance requirement(s) or standard(s) that must be attained in order to demonstrate acceptable performance in his/her position. The FWS should also inform the BUE that unless his/her performance in the critical element(s) improves to and is sustained at an acceptable level, the BUE may be reduced in grade or removed. When the BUE's performance is unacceptable the Employer shall afford the BUE a reasonable opportunity, in no case less than ninety (90) days, to demonstrate acceptable performance, commensurate with the duties and responsibilities of the BUE's position.

As part of the BUE's opportunity to demonstrate acceptable performance, the FWS shall write a plan which identifies what the BUE must do to improve his/her performance and what the Employer will do to assist the BUE. The Employer shall offer assistance, which may include but is not limited to, formal training, on-the-job training, counseling, and closer supervisor, to bring about improvement in the BUE's performance.

Every thirty (30) days during the period for improving performance, the FWS shall provide the BUE with a written review identifying the BUE's progress and identifying any areas still needing improvement. Additionally, the FWS shall include specific recommendations of methods and means of improving that the BUE may use to attain an acceptable level of performance.

Section 7. The use of authorized official time and approved absences for labor relations and other activities shall not be a factor in BUE performance appraisals.

Section 8. Appraisals made pursuant to this Article shall not be required to conform to any pre-established distributions of expected levels of performance that interfere with appraisal of actual performance against standards.

ARTICLE 16
RECOGNITION AND AWARDS PROGRAM

Section 1. Management is encouraged to reward and/or recognize employees close to the time of the actual act that warrants recognition. The awards program should be active throughout the year and not just at the end of the performance appraisal cycle. The Employer agrees that Quality Step Increases (QSIs), monetary awards and non-monetary awards may be awarded to employees based on merit and performance of job duties and responsibilities. The Employer's recognition and awards programs shall not be used to discriminate among employees or to show favoritism. Guidance established in 5 CFR 451, DoD 1400.25M, and implementing instructions will be utilized as they relate to awards.

Section 2. The Employer shall provide a detailed list and/or report of all monetary and time-off awards granted to BUEs to the Local Union President on a semi-annual basis. The Employer shall also provide this information at other times upon request. Additionally, upon written request from the Union, the ATCFO and/or a designee and the Union shall meet to review time-off awards granted to employees.

Section 3. In addition to the recognition and awards referred to in section 1 of this Article, the Federal Employees Pay Comparability Act of 1990 (FEPCA), Public Law 101-509, provides Federal agencies authority to grant bargaining unit employees time-off from duty, without loss of pay or charge to leave, as an incentive award. Called time-off awards, this incentive may be used to encourage and award superior accomplishment or other personal efforts that contribute to the quality, efficiency, or economy of government operations.

a. Nature and Relationships to other Awards

(1) Time-off Awards can be used alone or in conjunction with monetary or non-monetary awards. They are not intended to replace other awards.

(2) As with other incentive awards, the Employer is required to give due weight to Time-Off Awards when rating an employee for promotion in accordance with 5 USC 3362, 5 CFR 451, and other applicable government-wide regulations.

b. Eligibility. All Bargaining Unit employees are eligible to receive Time-Off Awards.

c. Time-Off Awards are authorized for a variety of Employee contributions. The following are examples of Employee contributions that could merit a time-off award; they are not intended to be exhaustive, nor should they be interpreted to limit the Employer from expanding upon identifying criteria for granting time-off awards:

(1) Making a high-quality contribution involving a difficult or important project or assignment;

(2) Displaying special initiative and skill in completing an assignment or project before the deadline;

(3) Ensuring that the mission of the unit is accomplished during a difficult period by successfully completing additional work or a project assignment while maintaining the Employee's own workload;

(4) Using initiative and creativity by suggesting or making improvements in a product, activity, program, or service; and/or

(5) Providing air traffic services as defined within current Position Descriptions which are deemed "above and beyond" normal requirements.

d. Granting Time-Off Awards

(1) Immediate Managers are authorized to grant time-off awards without further review for periods not to exceed one (1) work day. This allows Management to provide recognition for a job well done or for an idea that benefits the government.

(2) For periods of more than one (1) work day, the decision to grant a time-off award and the amount of such award shall be reviewed and approved by a supervisor at one step above the official who made the initial decision unless there is no official at a higher level in the agency.

(3) The maximum an employee may be granted for a single contribution is 40 hours. The total amount of time-off an employee may be granted during any one (1) leave year is eighty (80) hours.

(4) The amount of a time-off award should be proportionate to the value of the contribution being recognized. As such, the scale attached at the end of this Section shall be utilized to assure consistency of awarded time:

e. Scheduling and Use of Time-Off Awards

(1) The scheduling and use of Time-Off Awards shall parallel the procedures established for non-prime time/on the spot annual leave procedures contained within Article 17 of this Agreement. Time -Off Awards should be scheduled and used consistent with workload considerations, and to not adversely affect an employee who is in an annual leave "use or lose" situation.

(2) If a Time-Off Award is not used within one (1) year after the effective date, any unused time-off is forfeited and may not be restored.

(3) A Time-Off Award does not convert to cash under any circumstances. Time-Off Award hours can only be transferred within the Department of the Navy. Employees who transfer to non-Navy agencies will forfeit any unused time-off hours. In addition, since time-off award balances are not annual leave, the hours cannot be transferred to approved leave recipients under the Voluntary Leave Transfer Program (VLTP).

Section 4. Employee's leave and earning statement will reflect all credited and debited time-off award hours so as to allow the Employee a record of time-off award availability and usage.

TIME-OFF AWARD SCALE FOR A SINGLE CONTRIBUTION

VALUE TO ORGANIZATION **NUMBER OF HOURS**

Moderate **1 to 10**

A contribution to a product, activity, program, or service to the public, which is of sufficient value to merit formal recognition

Example: Beneficial change or modification of operating principles or procedures

Substantial **11 to 20**

An important contribution to the value of a product, activity, program, or service to the public

Example: Significant change or modification of operating principles or procedures

High **21 to 30**

A highly significant contribution to the value of a product, activity, program, or service to the public

Example: Complete revision of operating principles or procedures, with considerable impact

Exceptional **31 to 40**

A superior contribution to the quality of a critical product, activity, program or service to the public

Example: Initiation of a new principle or major procedure, with significant impact

ARTICLE 17
ANNUAL LEAVE

Section 1. In accordance with applicable law, rule, regulation, and this Agreement, unless prohibited by operational requirements, BUEs shall be authorized the use of all annual leave, which they have accrued or will earn within a leave year. To the maximum extent practical, BUEs shall be afforded the opportunity to take two (2) consecutive weeks annual leave each year.

Section 2. BUEs shall accrue leave at the rates established by 5 U.S.C. 6303.

Section 3. Leave for special circumstances as described in Article 20 of this Agreement shall not be subject to the provisions of this Article.

Section 4. If the Activity Head and/or his/her designee determines that a leave exigency for public business exists, the Employer shall notify the Local Union President or his/her designee as soon as practical, in writing. Upon written request of the Union, the Employer shall provide, in writing, within fourteen (14) days, the Activity Head's justification the Employer used in determining the need for the facility to be placed in a leave exigency status.

Section 5. In the event that a leave exigency exists, the ATCFO and/or his/her designee shall determine the minimum shift coverage requirements for all shifts and inform the Local Union President in writing of this determination. In accordance with the provisions of Article 7 of this Agreement, the Parties shall negotiate any and all impact the leave exigency determination has on BUEs. The Parties shall also negotiate the amount of annual leave each BUE can use and the procedures to be used to distribute the leave equitably among BUEs.

Section 6. Annual Leave

a. Prime-time leave is annual leave to be taken between Memorial Day weekend through Labor Day weekend.

(1) Prime-time leave requests shall be submitted to the FWS or designee on the appropriate leave form during the period between 1 February and 1 March of each year. The Employer shall approve or deny these requests prior to the last day of March that same calendar year. Prime-time leave schedules will be posted in March of each year.

(2) Prime-time leave requests shall be approved based on seniority, with the most senior BUEs considered first. Conflicting prime-time leave requests among equally qualified BUEs shall be resolved by seniority. Subject to operational requirements, the Employer shall make every reasonable effort to allow a minimum of two (2) weeks of annual leave for each BUE, during the prime-time period, which may be taken consecutively.

(3) In the event that approval of prime-time leave requests requires a reassignment of a BUE watch shift, reassignments shall be equitably rotated and distributed beginning with the most junior BUE available.

b. Non prime-time leave is all other annual leave falling into the following categories: (1) annual leave that may be requested up to one (1) year in advance; (2) annual leave during the prime-time leave period that was not previously requested during the period between 1 February and 1 March; and (3) spot leave.

(1) Non prime-time leave requests shall be submitted to the FWS or designee. Non prime-time leave request(s) will be considered on a first requested basis and may be requested either on appropriate leave form or verbally.

(2) Non-prime-time leave request(s) shall be considered for approval when requested. Within three (3) days the BUE will be informed whether or not the leave request was approved, or is pending review at a later date. At any time from the initial request until ninety (90) days before the effective date of the requested leave, the FWS or designee should make every attempt to approve the request. However, no later than ninety (90) days from the effective date of the leave, the FWS or designee shall notify the BUE of whether the leave was approved.

c. Non prime-time leave requested on the day it is to be used (spot leave), or with less than three (3) days notice to the Employer, shall be considered and approved/disapproved as soon as practical. Spot leave requests may be made and approved/disapproved verbally to the FWS/CIC.

d. The Employer agrees to make every reasonable effort to meet minimum requirements prior to disapproving any annual leave, with the exception of utilizing overtime for coverage requirements.

Section 7. The Employer agrees that decisions to cancel approved annual leave, due to operational requirements, are made at the ATCFO level. In such cases BUEs will be notified of the determination to cancel. If requested, this determination will be provided in writing to BUEs.

Section 8. A BUE may cancel annual leave at any time. When an BUE cancels scheduled annual leave and returns to duty, he/she may be assigned to work the shift he/she would have worked, unless operational requirements dictate or allow assignment to a different shift.

Section 9. BUEs on annual leave who become sick shall have the right to convert the annual leave to sick leave in accordance with applicable regulations and this Agreement.

Section 10. Whenever a BUE's request for leave is disapproved, the BUE will be verbally notified. If BUE requests, they will be given written notification as to why the leave was disapproved. If a BUE request for annual leave was disapproved and annual leave for that time period, or any portion of that time period, later becomes available, the leave shall be approved on a first requested basis.

Section 11. The BUE will not be required to provide reasons for annual leave request.

Section 12. The established minimum charge to annual leave shall be one-tenth (1/10) of an hour and additional charges are in multiples thereof.

Section 13. The Employer shall not require BUEs to use compensatory time when requesting annual leave.

Section 14. Except as authorized in OPM regulations, no BUE will be forced to take annual leave.

Section 15. BUEs are covered by the annual leave and lump sum payment provisions contained in 5 U.S.C. Chapter 55, Chapter 63 and the associated regulations in 5 C.F.R.

ARTICLE 18 SICK LEAVE

Section 1. BUEs will earn sick leave in accordance with applicable law and regulations.

Section 2. Sick leave must be granted in accordance with 5 CFR 630 when the BUE:

- b. is incapacitated for the performance of duties by physical or mental illness, injury, pregnancy, or childbirth;
- c. provides care for a family member as a result of physical or mental illness, injury, pregnancy, childbirth, or medical, dental, or optical examination or treatment;
- d. provides care for a family member with a serious health condition;
- e. makes arrangements necessitated by the death of a family member or attends the funeral of a family member;

- g. must be absent from duty for purposes relating to the adoption of a son or daughter including appointments with adoption agencies, social workers, and attorneys; court proceedings; required travel; and any other activities necessary to allow the adoption to proceed.

Section 3. A BUE's sick leave request(s) will be granted in accordance with 5 C.F.R. 630.

- a. BUE's request for unanticipated sick leave affecting that duty day will be made to the appropriate supervisor (the supervisor responsible for that affected watch shift). The BUE will make every attempt to make this request prior to the shift beginning but no later than sixty (60) minutes after the watch shift begins. However, if the degree of illness or injury prevents such notification, the employee will notify the supervisor as soon as possible.
- b. BUE's sick leave request for that duty day after the shift has begun and affecting the remainder of that watch shift will be approved by the appropriate supervisor.
- c. BUE's anticipated sick leave request(s) will be made to the BUE's immediate supervisor and will be approved or disapproved as soon as practicable. A supervisor may approve a BUE with an extended illness to not make daily requests but instead to identify a day of expected return to duty.

Section 4. When requested by the Employer, a BUE will be required to furnish a medical certificate for absences of more than four (4) consecutive days. The BUE will have fifteen (15) days to submit medical certification when required. In lieu of a medical certificate, the BUE signed statement explaining the nature of the illness may be accepted when circumstances in the individual case make it unreasonable to require a medical certificate.

Section 5. The amount of sick leave granted to a BUE during any leave year for the purposes described in sections 2c and 2e above may not exceed a total of 104 hours during a leave year. To use more than forty (40) hours in a leave year, a BUE must retain a balance of at least eighty (80) hours. As described in Section 2c and 2e “family” is defined as:

- a. spouse, and parents thereof;
- b. children, including adopted children, and spouses thereof;
- c. parents;
- d. brothers and sisters, and spouses thereof; and

Section 7. When the employer has evidence of sick leave abuse, a BUE may first be counseled concerning sick leave usage. If the sick leave abuse continues the BUE may be required to provide a medical certificate upon the return for future sick leave usage. In cases where the BUE is required to submit a medical certificate, the employer will review the requirement annually. Upon the BUE’s request the employer will review the requirement at six (6) months. If the BUE(s) sick leave record does not indicate continued sick leave abuse at the time of review the BUE will be notified in writing that the medical certificate will no longer be required.

Section 8. Because a request for sick leave may be of a personal nature, the BUE may not wish to divulge complete details of such personal medical business. If requested by the employer, the BUE will provided adequate information to support the need for sick leave such as surgery, examination, tests, medical consultation, etc. Request(s) for sick leave and individual sick leave records will not be available or distributed as general information or publicized.

Section 9. Whenever a BUE’s request for sick leave is disapproved, may request a written reason for disapproval.

Section 10. Each BUE may be advanced up to thirty (30) days sick leave, for serious disability or ailment, except when:

- a. It is known that he/she does not intend to return to duty or when available information indicates that his/her return is only a remote possibility,
- b. He/she has filed or the Employer has filed an application for disability retirement,
- c. He/she has signified his/her intention of resigning for disability,
- d. He/she is employed under a limited appointment or one expiring on a specific date, if the advance sick leave requested would exceed that accrued by the employee during the remainder of the appointment.

Section 11. If a BUE becomes ill or is injured at work, the Employer shall arrange for transportation to a physician, medical facility, or other BUE designated location. If requested by the BUE, or if the BUE is unable to request, the Employer shall notify the BUE's family or other party designated by the BUE, of the occurrence and of the BUE's location.

Section 12. When a BUE is unable to do so because of injury, illness, or incapacitation, the Employer will assist the BUE's family in filling appropriate documents for entitlements to the BUE or the BUE's family.

Section 13. The established minimum charge to sick leave shall be one tenth (1/10) hour and additional charges are in multiples thereof.

Section 2. Requests for annual or sick leave for emergencies involving illness or injury in the family shall be given priority.

Section 3. Any full-time BUE whose appointment is not limited to one (1) year is entitled to military leave. 5 U.S.C 6323(a) provides fifteen (15) calendar days military leave per fiscal year for active duty, active duty training, and inactive duty training. Unless operational conditions do not allow, the Employer shall adjust the schedule on any BUE who is a military reservist to allow him/her to attend weekend reserve training drills.

Section 4. Requests for annual leave to observe the Sabbath, a religious event, or an ethnic holiday will be given priority consideration for approval.

Section 5. To the extent that modifications in work schedules do not interfere with the efficient accomplishment of an agency's mission, a BUE whose personal religious beliefs require that he or she abstain from work at certain times of the workday or workweek will be permitted to work alternative work hours so that the BUE can meet the religious obligation in accordance with applicable law, rule, and regulation. The hours worked in lieu of the normal work schedule may not create any entitlement to premium pay (including overtime pay).

Section 6. After consulting a physician, a BUE may request a modification of their work duties/schedule due to working conditions that may have a detrimental effect on the BUE or the unborn child.

Section 7. In accordance with 5 U.S.C. 6327, BUEs may use up to seven (7) days of paid leave each calendar leave year to serve as a bone-marrow donor, and up to thirty (30) days of paid leave each calendar year to serve as an organ donor. Leave for bone marrow and organ donation is a separate category of leave that is in addition to annual and sick leave.

Section 8. A BUE, having volunteered his/her services and/or having been recommended to the Employer by a State Representative of the Federal Civil Defense Administration for pre-emergency training programs or test exercises, and who is approved by the Employer to participate, shall normally be excused, without charge to leave or loss of pay, for a period not to exceed forty (40) working hours in any calendar year for such participation.

A BUE should keep his/her FWS informed of his/her jury service status. On a case by case basis an BUE may be required to return to duty by his/her FWS, if the employee is excused from jury service for one (1) day or a substantial part of a day. A BUE who is on court leave, and is released early, may be excused from duty for the remainder of the day. The BUE shall not, however, be required to return to duty if it would cause the BUE a hardship (including but not limited to excessive travel issues, child care problems, sleep interruption, and scheduling issues), unless an operational requirement exists.

Section 4. The BUE may be required to submit official correspondence identifying his/her jury service upon request of the FWS.

Section 5. At the request of a BUE who has been granted court leave, his/her regular days off shall normally be changed to coincide with his/her jury service regular days off. Section 9. BUEs found to illegally use drugs shall be referred to the CEAP for assessment, counseling, and referral for treatment and/or rehabilitation as appropriate. The confidentiality of a BUE's contact or referral to CEAP will be protected; however, the BUE may be required to authorize release of information concerning diagnosis, prognosis, or participation in a rehabilitation program as a result of a request by the BUE or an agreement by Management to hold a disciplinary/adverse action in abeyance or a request by the BUE for other employment consideration, such as use of leave. The referral of a BUE to CEAP is not intended to obligate the Employer regarding reasonable accommodations issues and does not prevent the Agency from taking appropriate disciplinary or adverse action.

Section 10. It is agreed that drug abuse or addiction may not be used as an excuse for misconduct or poor work performance and that illegal drug use in itself constitutes misconduct and may be cause for disciplinary or adverse action up to and including removal from Federal service. Any proposed disciplinary or adverse action against a BUE specifically for use of any illegal substance shall be taken only for just cause, and to promote the efficiency of the service, in accordance with applicable provisions of law, rule and regulation. A BUE who refuses to

cooperate in the Employer's approved drug testing program shall be subject to appropriate disciplinary or adverse action.

Section 11. Test Procedures

a. The Department of Health and Human Services (HHS) Guidelines for Chain of Custody will be utilized for all specimen transport and testing.

b. The donor shall urinate into either a specimen bottle or specimen container. The collection site person, in the presence of the donor, after determining specimen temperature, pours the urine into two specimen bottles or containers that are labeled Bottle A and Bottle B or, if Bottle A was used to collect the specimen, pours an appropriate amount into Bottle B.

c. The collection site shall send the split specimens (Bottle A and Bottle B) at the same time to the laboratory that will be testing the Bottle A specimen.

d. If the test of the first specimen (Bottle A) is verified positive by the Medical Reviewing Officer (MRO), the MRO shall report the results to the Employer's DPC (Drug Program Coordinator) who will notify the BUE of the test results. The donor may within 72 hours, request that the second specimen (Bottle B) be tested. The Employer will utilize a different HHS certified laboratory for testing the second specimen (Bottle B). All cost associated with the testing of the 2nd sample (Bottle B) shall be borne by the BUE (donor) making the request.

e. If the result of the test on the split specimen fails to reconfirm the verified positive result for the primary specimen, the MRO shall void the primary test result and the donor shall reenter the group subject to random testing as if the test had not been conducted.

Section 12. BUEs shall not be required to disclose the legitimate use of a specific drug at the time of collection, but will have an opportunity to provide documentation to the MRO supporting legitimate usage upon a positive test result. A BUE who is found to test positive shall be allowed to provide supplementary evidence to the Employer. Any expense incurred in obtaining such supplementary evidence will be borne by the BUE.

Section 13. BUEs who test positive may be temporarily reassigned or detailed to other duties, placed on administrative leave, or indefinitely suspended pending the outcome of any further investigation and/or decision on any proposed disciplinary or adverse action. Decisions to reassign/detail, place on administrative leave or indefinitely suspend, will be made on a case-by-case basis depending on several factors including, but not limited to: nature of duties, assessment of safety or security risk, availability of other positions, qualifications of the BUE, etc.

Section 14. Test results shall be delivered to the employee by U.S. Mail to the employee's home address of record as soon as practical after the specimen has been analyzed. Positive reports shall contain the assigned specimen number, the laboratory address, and the results of the test.

Section 15. The Union shall be given a copy of any laboratory performance test results received by the Employer.

Section 16. BUEs who have already received leave approval shall be permitted to depart the facility at the pre-approved time regardless of whether or not they have been selected for or have completed the Agency's drug testing collection. The Parties agree that BUEs shall be scheduled for drug testing during their assigned shift.

ARTICLE 70 PUBLISHING THE AGREEMENT

Section 1. The Employer will provide, at no cost to the Union, copies of this Agreement, printed in 5 x 8 inch booklets in type that can be easily read, to each BUE in the bargaining unit. The Employer will also provide a copy to all BUEs entering the bargaining unit after the effective date. The Employer agrees to provide replacement copies to a reasonable extent.

Section 4. Any amendment(s) to this Agreement agreed upon by the Parties shall be reproduced by the Employer and distributed on the same basis as set forth in the Article on publishing the Agreement.

Section 5. No agreement, alteration, understanding, variation, waiver, or modification of any terms or conditions contained herein shall be made by any BUE or group of BUEs with the Employer, and in no case shall it be binding upon the Parties hereto unless such agreement is made and executed in writing between the Parties hereto and the same has been ratified by the Union and approved by the Agency Head.

Section 6. The waiver of any breach or condition of this Agreement by either Party shall not constitute a precedent in the future enforcement of all the terms and conditions herein.

ARTICLE 73 DURATION

Section 1. This Agreement shall remain in effect for thirty-six (36) months from the date it is approved by the Secretary of the Defense, or his/her designee, and shall be automatically renewed for additional periods of twelve (12) months unless either Party gives written notice to the other of its desire to renegotiate or terminate this Agreement. Any extensions of this Agreement will also subject the provisions of the Agreement to approval by the Secretary of the Defense, or his/her designee. The written notice must be given not more than one hundred and five (105) calendar days or not less than sixty (60) calendar days preceding the expiration date of this Agreement. Negotiations under this Article shall commence not later than thirty (30) calendar days after receipt of the written request. If negotiations are not completed prior to the expiration date, this Agreement shall remain in full force and effect until a new Agreement is reached.
