

NAVAIDS COMPUTER MODELING SURVEY

1. What is your organization routing number?

NAVAIDS COMPUTER MODELING SURVEY

* 2. Does your organization use any computer models to make engineering decisions?

NAVAIDS COMPUTER MODELING SURVEY

* 3. Which of the following computer modeling services does your organization use?

- Application Self Use
- In-House Organizational Assets (i.e. Utilizing Internal Resources, FAA and/or support contract personnel)
- FAA Technical Center
- Ohio University
- Commercial Engineering Firms
- Other (please specify)

* 4. Are you satisfied with the level of services received?

NAVAIDS COMPUTER MODELING SURVEY

* 5. If you answered NO to the previous question, please specify why you are not satisfied with the level of services received?

NAVAIDS COMPUTER MODELING SURVEY

* 6. What computer model software does your organization use?

OUNPPM

OUGS

Other (please specify)

* 7. What types of NAVAIDS do you model?

ILS Glide Slope

ILS Localizer

VOR

Other (please specify)

* 8. Do you know of any other NAVAIDS modeling software that you would like to consider in your job?

NAVAIDS COMPUTER MODELING SURVEY

* 9. If you answered YES to the previous question, please specify the name of the software(s) in the comments section below.

NAVAIDS COMPUTER MODELING SURVEY

* 10. Do you have the capability to simulate uneven terrain for all the NAVAIDS that you model?

* 11. Have you received formal computer modeling software training?

NAVAIDS COMPUTER MODELING SURVEY

* 12. If you answered YES to the previous question, please provide the name of the computer modeling software, software version, date(s) when training was conducted, and the training location.

* 13. Are you satisfied with the level of computer modeling training you have received so far?

* 14. Would you like to receive additional computer modeling training?

* 15. What type of additional computer modeling training would you like to receive?

OUNPPM Refresher Training

NAVAID Signal Propagation Theory

OUNPPM Refresher Training (Specify name of the software in the comment field below)

Other (please specify)

NAVAIDS COMPUTER MODELING SURVEY

* 16. Are you aware that the FAA Technical Center performs computer modeling services for FAA organizations?

* 17. Are you aware that the FAA Technical Center provides OUNPPM refresher training?

* 18. Are you satisfied with the functionality, usability, and performance of your current computer modeling software?

NAVAIDS COMPUTER MODELING SURVEY

* 19. If you answered NO to the previous question, please specify why you are not satisfied with the functionality, usability, and performance of your current computer modeling software?

* 20. Would you like to have the capability to model additional NAVAID types (e.g., DME) or scatterers (e.g, terrain)?

NAVAIDS COMPUTER MODELING SURVEY

* 21. If you answered YES to the previous question, please specify what additional NAVAID types (e.g. DME) or scatterers (e.g. terrain) capability would you like to have.

* 22. Are there any other computer model related topics/issues/comments that you would like to highlight?

NAVAIDS COMPUTER MODELING SURVEY

* 23. If you answered YES to the previous question, please specify any other computer model related topics/issues/comments that you would like to highlight.

Thank You For Taking The Time To Fill Out This Survey!
