## **Join us for our annual Air Traffic Training Summit!**

We are bringing together stakeholders from across the ATO and the FAA to discuss the impact the pandemic has had on the controller pipeline, the progress we have made to address and overcome those challenges, and our path forward as we deliver dynamic training to fit air traffic controllers' needs.

**Do you have questions about Air Traffic Training you would like us to address during the summit? Send them to Lynn Hicks by June 4 at [virginlan.hicks@faa.gov](mailto:virginlan.hicks@faa.gov).**
