Dear colleagues,

As we start the new year, we want to better understand and quickly respond to your changing needs. In October, you received the first “pulse survey” in our Government-wide “Employee Voice” pilot initiative. You can explore a data dashboard with the results of that first pulse survey [here](#).

Today we are launching the second survey in this pilot.

Your participation will help inform our actions on how to help our team thrive and stay engaged with our mission.

It will only take a minute. **Please click this link to answer 3-4 questions:**

Thank you for participating. I know every one of you is navigating work while also managing your own needs and those of your loved ones. The Federal workforce is stronger because of your commitment to serving this country.

Sincerely,

Polly Trottenberg  
Deputy Secretary, Department of Transportation

This pulse survey pilot was launched by the President’s Management Council (PMC), together with the Office of Management and Budget, the Office of Personnel Management, and the General Services Administration.

Participation in the survey is completely voluntary. Your responses are confidential and may be combined with administrative records and responses of other employees to provide summary reports of aggregate trends. Individual responses will never be shared with your leadership or agency. See more privacy information [here](#).
