

Thanks for the Support!

Dear Andrew,

To get supporters to take the action you want, lead with the most important topic. To keep them reading, keep it short by only including the most important topics and include a short snippet rather than the full content with a button or link to see the rest.

RECENT ACCOMPLISHMENTS

Choose one primary story that readers can focus on, such as a recent achievement. Show supporters how they contributed to your success by including stories, pictures, or videos where possible.
