NCF: Elena Nash Passes Baton

Outgoing NATCA Charitable President Makes Way for Next Generation

After a distinguished six-year tenure as President of the NATCA Charitable Foundation, Elena Nash is ready to pass the baton on to the next generation of NATCA leaders eager to give back. [Read more.](#)

NATCA30: The NATCA Charitable Foundation

Learn about the origins of NATCA's efforts to give back

Cathy and Darrell Meachum founded the NATCA Charitable Foundation in 1994 with a simple goal in mind: to organize and expand the charitable efforts of NATCA members across the country. Since its inception, NCF has grown exponentially, allocating \$200,000 to charities and programs across the country

in 2016. [Read more.](#)

CFS Award Recap

SkyOne Federal Credit Union Business Development Manger Dina Earl was honored for her volunteer work, often going above and beyond to assist the NATCA Charitable Foundation. [Read more.](#)

CFS Recap

Collaborative message from NATCA President Paul Rinaldi and FAA ATO COO Teri Bristol

As aviation safety professionals from across the country came together for Communicating For Safety 2017, it was apparent that they all work together to succeed. Rinaldi and Bristol highlighted the collaborative relationship between NATCA and the FAA in their opening keynote remarks. [Read more.](#)

NiW: Poster Campaign

Tweet a photo of the poster in facility with #NATCA

The NATCA Legislative poster campaign is in full swing! Tweet a photo of yourself with Poster 1 with #NATCA and let us know how you plan to be legislatively active this year. As we all advance NATCA's legislative efforts in support of our careers and the National Airspace System, we encourage your engagement and to know who is speaking on your behalf. Don't be afraid to ask questions. Remember, your FacRep, State Legislative Coordinators, and Facility Legislative Reps are great resources to help you get more involved. Keep an eye out for Poster 2 on April 17! [#NATCA](#)

Converging Runway Display Aid

The latest in new technology being used at airports across the country

Learn from NATCA OSF Rep Randy Garcia about recent efforts in Denver to expand existing capabilities of 25-year-old technology. [Read more.](#)
