NATCA Legislative

Tweet a photo of yourself with Poster 2 to @NATCA, and let us know how you plan to be a voice for your profession and educate your Member of Congress

As we all advance NATCA's legislative efforts in support of our members and the National Airspace System, we encourage your engagement. It's important to understand what your Member of Congress thinks you do and how to increase their knowledge. Don't be afraid to ask questions. Remember, your FacRep, State Legislative Coordinators, and Facility Legislative Reps are great resources to help you get more involved. Keep an eye out for Poster 3 on May 1! #NATCA
