## Legislative Activity (May 5, 2020)

Brothers and Sisters,

In this National Update, we're sharing the third in a series of videos about high profile issues for our Union. In this video, we provide an overview of legislative issues that currently are of interest to our Union. Watch the video [here](#).

In case you missed the first two videos released last week, you can watch them here: [Protocols After Positive COVID-19 Test](#) (May 1) | [Adjusted Facility Hours](#) (April 29).

As always, any member can directly contact their regional leadership at the email below with any questions regarding COVID-19 related issues. Someone will respond and provide an answer as quickly as possible.
