

Happy Thanksgiving!

We want to take a moment to express our thanks this holiday season, as we celebrate Thanksgiving in our homes as well as in break rooms and common areas with our colleagues.

Thank you to our 16,000 dues-paying members, who have continued to keep the National Airspace safe for the flying public during this busy holiday travel season. We are proud to represent you, and we are honored by your

dedication. We thank each of you for your support, your solidarity, and your service to our great Union, the professions we represent, and the NAS. A special thanks to those who are working through the holiday to make sure others can gather with their families. We wish you a happy and safe Thanksgiving holiday.

Union Spotlight: American Federation of Government Employees

NATCA continues to highlight our union sisters and brothers in AFL-CIO affiliated unions. Today we thank and recognize our siblings of the American Federation of Government Employees (AFGE).

UNION SPOTLIGHT:

American Federation of Government Employees

AFGE represents 700,000 federal and D.C. government workers across the United States and the world. AFGE was founded during the Great Depression in 1932, when workers were facing wage cuts, furloughs, and limited career opportunities.

Over the past 90 years, AFGE has continued to grow, and it currently has members in virtually every agency in the U.S. Government, including the Department of Transportation and the FAA.
