NATCA's Government Affairs team members Sean Maxwell and Annika Olson had the opportunity to meet with the Speaker of the U.S. House of Representatives, Nancy Pelosi, at an event on Capitol Hill in late June. NATCA thanked the Speaker for her longtime support of air traffic controllers in California

and across the country. Speaker Pelosi thanked the controller workforce for their professionalism, dedication, and determination throughout the COVID pandemic. She will support us in the coming years and looks forward to continued dialogue.
