

NATCA Activism and Training Expo (ATX) Registration Is Now Open; Deadline is Nov. 1, 2022

NATCA's National Executive Board (NEB) is proud to announce that registration for our Union's first Activism and Training Expo (ATX) is open now through Nov 1. The Expo will take place from Dec. 12-16, at Caesars Palace, Las Vegas. The NEB-issued ATX Travel Policy applies. To read the travel policy click [here](#).

Planned to be a biennial event, ATX will enable NATCA members with all levels of experience to increase their knowledge on a variety of work and safety-related topics and expand our Union's influence. This five-day event will showcase NATCA's training courses along with briefings and education by many of our committee and Article 114 reps regarding projects throughout the National Airspace System (NAS).

Whether you can attend for the entire five days, only one, or any number of days in between, ATX is an opportunity to expand your knowledge in a variety of areas that can prepare you to help shape the future of NATCA.

You can build your own agenda and attend classes based on your personal interests. Sessions will be arranged into smaller modules, allowing attendees to experience all that NATCA offers. The sessions will help you identify opportunities to get involved in our Union that best match your strengths and interests.

PROTECT YOUR PAYCHECK!**

NATCADISABILITY.COM

“For over twenty years NATCA’s LTD plan has protected our members’ income and given participants peace of mind. We have seen it pay out over \$21 million in claims. We have seen and heard from numerous members about how this coverage has saved homes, kept cars from being repossessed, and paid everyday bills,” Board of Trustee Chair John Bratcher said. “Many of our members don’t realize what a catastrophic disability can do to their income. The one statement we hear most from our claimants is, ‘I don’t know what I would have done without it.’”

Don't delay your protection any longer. Sign up today at natcadisability.com.
