NATCA is pleased to announce the recipients of the 18th annual Archie League Medal of Safety Awards and the 6th annual Region X Commitment to Safety Award. The commitment to safety by NATCA's members is exemplified by these members who are receiving our Archie League Medal of Safety and our Region X Commitment to Safety Award. The 2022 winners demonstrate the unique skills, mindset, training, and experience of our Union's members to positively influence the events under our control.

To our award winners and all the other NATCA members nominated for 2022 awards, congratulations on a job well done! And to all our NATCA members who nominated these deserving individuals, thank you for your commitment to this program and to our profession.
