

Happy Kwanzaa!

Happy Kwanzaa to our NATCA Family who celebrate! Kwanzaa is a week-long holiday that falls between Dec. 26 and Jan. 1 each year. It is a chance to celebrate African culture and traditions in the United States and around the world.

If you'd like to learn more about Kwanzaa, we encourage you to visit the National Museum of African American History and Culture's article about it, found [here](#).
