

NATCA NEB Meets with Hawaii Members

While NATCA's National Executive Board (NEB) was gathered in Honolulu for the board's monthly meeting in April, NEB members gathered with some of our Hawaii members and their families for a solidarity event.

This was a rare opportunity for NATCA members from Honolulu to meet their Union's leaders from all across the country. There was a large turnout by the members from HCF (Honolulu Control Facility), which included both Terminal and Enroute members. RNAV members also attended.
