

On Memorial Day, We Honor and Remember

On Memorial Day, we remember all those who served and died for the freedoms we all hold dear. The chances are good that each one of us is related to, works with, or otherwise has a connection to at least one person who has lost a family member or friend who died while serving in the United States armed forces.

MEMORIAL DAY

REMEMBER & HONOR

While spending time with our families this weekend, or working in our facilities, let's take a moment to recognize why we memorialize this weekend and commemorate our nation's fallen women and men and their families.

Deadline June 1: Nominate Your Peers for NATCA's Professionalism Award

Do you work with someone who inspires you, motivates others, and demonstrates professionalism day in and day out? Don't let that individual go through their entire career without getting recognized! Nominate them for the 2023 NATCA National Professionalism Award.

Award recipients will be selected from each service area and will receive a trip to Communicating for Safety to accept their award and be recognized for their professionalism. Anyone may nominate a member in good standing for the award. There is no limit to the amount of nominations for one individual. We recommend you encourage additional nominations from peers, management, pilots, etc. submitting their own statements, stories and examples in support of the individual). In order to nominate you will be asked to provide a brief work history on the individual, as well as provide examples and statements showing how the individual inspires, motivates, and demonstrates professionalism in the workplace.

A promotional poster for the NATCA Professionalism Award Nominations. The background is dark with a green grid pattern on the right side. The text is white and pink. The main text reads: "DO YOU KNOW A GREAT EXAMPLE OF PROFESSIONALISM?" followed by "NATIONAL PROFESSIONALISM AWARD NOMINATIONS ARE OPEN" in large, bold, pink letters. Below this, it says "SUBMISSIONS ARE DUE BY: JUNE 1, 2023". In the bottom right corner, there is the NATCA logo, which consists of the letters "NATCA" in red, a stylized "13" in blue and green, and the words "PROFESSIONAL STANDARDS" in blue and green below it. The background also features some faint, green, technical-looking text and symbols, such as "COM19 061 6737", "LOF5414 049 E145", and "COA186 043 B752".

Get Kids Excited about Aviation: NATCA's Kids Corner

Did you know the NATCA website features a special section called "Kids Corner," which provides resources and information for children who are interested in aviation and air traffic control?

In this section, children can learn about different types of aircraft, aviation careers, and the history of flight. They can also find fun activities, such as coloring pages and word searches, related to aviation and air traffic control.

The Kids Corner section is designed to be both educational and entertaining for children. It provides an opportunity for kids to learn more about aviation and air traffic control, as well as inspire them to pursue careers in these fields. The section is also a great resource for parents and educators who want to introduce children to aviation-related topics.

NATCA is committed to education and youth development. Providing engaging and informative resources for children is part of NATCA's effort to inspire the next generation of aviation professionals.
