

NATCA Participates in Capital Pride Parade

On June 10, more than 30 NATCA and Organized NATCA Employees Union (ONEU) members and their family members participated in the Capital Pride Parade in Washington, D.C. The group marched alongside a float featuring an ATC tower and distributed union-made lollipops to spectators as they marched. This year, the 5-hour long parade featured more than 500 hundred participating organizations and hundreds of thousands of spectators.

NATCA's contingent in the parade all wore the Pride shirts sold by the NATCA Charitable Foundation (NCF). For 2023, NCF sold 368 of the Pride shirts. NCF will be donating all net proceeds from the shirt sales, plus a minimum of \$1,000.00 to charitable organizations serving LGBTQ+ young people in California, the District of Columbia, Florida, Indiana, New York, Tennessee, and Texas.
