Unum's 2023 Open Season

On June 20, NATCA began an enrollment open season for its popular Unum group long-term disability (LTD) program. The Unum LTD program protects NATCA members and their families with peace of mind in the event they lose their medical or become disabled. LTD insurance can be the most important part of your overall benefits package.

Don't wait until it's too late!

You insure everything else in your life that's important to you.
Why leave your career and your financial stability unprotected?

“Unum is the best thing you could do to protect you and your loved ones from any financial hardship, in the event you lose the ability to work. My family life has not skipped a beat thanks to Unum.”

-Brandon Mike, D10
