

## 2023 AVS Safety Culture Survey

The purpose of this survey is for AVS to engage its workforce in assessing a factors that contribute to a positive safety culture. Your participation will allow us to identify concerns and highlight areas of opportunity where we can best focus our safety culture efforts.

The Civil Aerospace Medical Institute (CAMI) Aerospace Human Factors Research Division (AAM-500) is administering this survey on behalf of AVS with the assistance of a third-party contractor, Cherokee Nation 3S. **To ensure confidentiality of all responses, results will be provided to AVS in aggregate form only.** No one at the FAA will have access to your individual responses.

Participation in the survey is completely voluntary. Voluntary participants shall be afforded sufficient duty time to complete the survey.

If you agree to participate in this survey, please click Next to begin.

- For **survey support**, call (405) 954-1594 Monday through Friday, 9:00 a.m. to 5:00 p.m. Central or send an email to [SurveySupport@faa.gov](mailto:SurveySupport@faa.gov)
