

MILITARY STATUS INFORMATION

MILITARY STATUS REPORT – PRIVACY ACT

The information on this form is solicited under authority of Executive Orders 11190 and 9397. Submission of all the data is mandatory. The data is needed to inform your military service of any change in your Ready Reserve Status. This data will be used to maintain a record of your reserve status. Failure to notify your military service of a change may have an adverse effect upon your reserve status. The use of the Social Security Account Number is necessary because of the large number of Ready Reservists who have identical names and birth dates, and whose identities can only be distinguished by the Social Security Account Number.

Executive Order 9397 requires the mandatory disclosure of your Social Security Account Number.

INSTRUCTIONS: Please complete the applicable sections below to indicate your Military Reserve Status and Category, and Military/Reserve Component.
