

Happy National Aviation Day

Aug. 19 is National Aviation Day! In 1939, President Franklin D. Roosevelt designated the birthday of aviation pioneer Orville Wright as National Aviation Day to honor the history and advancement of aviation in the United States.

We appreciate the work our members do to contribute to the advancement of aviation, today and everyday.

Enroll in Unum During Open Season

On June 20, NATCA began an enrollment open season for its popular Unum group long-term disability (LTD) program. The Unum LTD program protects NATCA members and their families with peace of mind in the event they lose their medical or become disabled. LTD insurance can be the most important part of your overall benefits package.

Don't wait until it's too late!

Why leave your career and your financial stability unprotected?

“
You may never think you will need long term disability insurance, but so many things in life happen unexpectedly and Unum could one day be a single light in a very dark time.
”

-Meryn Holbrook, DEN
