Congratulations to New Unum Enrollees!

On June 20, NATCA began an enrollment open season for the popular Unum group long-term disability (LTD) program. The Unum LTD program protects NATCA members and their families with peace of mind in the event they lose their medical or become disabled. Covered members who have submitted claims through the program often describe the coverage they received as one of the greatest benefits of being a member of our Union. The open enrollment period ended Oct. 2.

Congratulations to all our new enrollees!
