

Announcing the 2023 Winners of the Archie League Medal of Safety Awards and the Region X Commitment to Safety Award

NATCA is pleased to announce the recipients of the 19th annual Archie League Medal of Safety Awards and the 7th annual Region X Commitment to Safety Award. These NATCA members exemplify our profession's commitment to safety. The 2023 winners demonstrate the unique skills, mindset, training, and experience of our Union's members to positively influence the events under our control.

To our award winners and all the other NATCA members nominated for 2023 awards, congratulations on a job well done! And to all our NATCA members who nominated these deserving individuals, thank you for your commitment to this program and to our profession.

These winners will be honored at a gala event held as part of our Union's Communicating For Safety Conference (CFS) in Las Vegas next week. You can watch your NATCA Brothers & Sisters receive these prestigious honors live as we will be streaming the event at <https://natca.org/cfs>.
