

NATCA Member Educates Students on Aviation Safety Careers

James Newman, a NATCA member at Kansas City Center (ZKC), represented both our Union and aviation safety professions at a career fair organized by the Olathe Chamber of Commerce in Olathe, Kan. The event, held on Nov. 9, was an opportunity for students to interact with Newman and other professionals. Newman highlighted the critical role of aviation safety professionals, providing valuable insights into this rewarding and specialized career path.

Over 1,000 high school juniors and seniors from five school districts, along with adult learners pursuing related diplomas, certifications, and degrees, had the

opportunity to explore careers within targeted industries. The fair boasted interactive displays and hands-on demonstrations, allowing for an immersive learning experience and a chance to motivate students to pursue aviation safety careers.

NATCA Charitable and ONEU Join Forces to Spread Holiday Cheer for Local Families

As winter approaches, the NATCA Charitable Foundation (NCF), in collaboration with the Organized NATCA Employees Union (ONEU), is extending warmth and support to families grappling with homelessness in the communities surrounding NATCA's National Office in Washington. NCF and ONEU contributed \$1,500 to Community of Hope's Holiday Cheer Campaign. Community of Hope supports families and individuals overcoming homelessness.

Washington | Dec. 2023

The holiday campaign's goal of \$60,000 will provide gifts for families and individuals in more than 825 households in housing programs. These gift cards empower recipients to make their holidays special, whether it's a festive meal, gifts for children, or a much-needed shopping trip. In the season of giving, NATCA and ONEU are helping to ensure that these families and individuals experience a brighter, cheerier holiday season.
