

## View the Official CFS 2023 Event Booklet

Communicating For Safety (CFS) will take place Sept. 18-20 at The Horseshoe (formerly Bally's) in Las Vegas. Hosted annually by NATCA, CFS is the aviation industry's leading conference focusing on safety, technology, and relationship building. This three-day conference is the only one to focus specifically on the air traffic needs of all members of the aviation community who are affected by the National Airspace System (NAS).

A digital copy of the official event booklet for CFS 2023 is available online. This booklet includes a detailed agenda, speaker spotlights, and articles detailing some of our signature programs.
