

U.S. Rep. Mike Levin Tours Palomar ATCT

In October, NATCA members met with U.S. Rep. Mike Levin (Calif.-49) at McClellan-Palomar Airport. The congressman was there for a visit with the airport's operations department and took advantage of the opportunity to tour Palomar ATCT (CRQ). Rep. Levin was extremely curious about the aviation safety profession, our members' current needs, and how decisions made on Capitol Hill impact our workforce.

Nominate Your Peers for the Archie League Awards

by May 15

NATCA is currently accepting nominations for the 20th Archie League Medal of Safety Awards. Events must occur between May 1, 2023, and April 30, 2024. Any member may nominate another member for an Archie League Medal of Safety Award. The awards will be presented in September during the Communicating for Safety conference in Las Vegas.

For the nomination form, click [here](#).

If you have questions or are having trouble collecting all nomination materials, please contact outreachandevents@natca.org.

2024 NATCA Scholarship Application Open Until March 1

The NATCA scholarship fund is established for the spouses, children, stepchildren, and legally adopted children of active, retired, and deceased NATCA members with continuous membership in good standing of at least two years. These scholarships are for full-time attendance at accredited colleges and universities within the United States and its territories for an undergraduate degree program. The deadline to apply is March 1.

The application for the scholarship can be found [here](#).

NATCA SCHOLARSHIP 2024-2025

**OPEN FOR
APPLICATION**

**APPLICATION CLOSES
MARCH 1, 2024**

The application process includes an essay submission. This year's prompt asks candidates to examine the effect of artificial intelligence on workers and labor unions:

The evolution of artificial intelligence (AI) is rapidly changing the way we live. Unions across a broad spectrum of occupations are preparing to address the effects of an increased utilization of AI on their membership. As a student who will soon be entering this changing workplace, discuss how you see AI affecting the careers in which you are interested and what you believe unions should do to offer job protections as new AI processes continue to be implemented.

Please send questions about this process to scholarshipapps@natca.org.
