

Chag Pesach Sameach from Your NATCA Family!

Chag Pesach sameach from your NATCA family! Passover, also called Pesach, is a major Jewish holiday that celebrates the story of Moses and the ancient Israelites' escape from slavery in Egypt. This year, Passover takes place from April 22–April 30. The holiday focuses on themes of liberation and perseverance.

Happy Earth Day from NATCA

Happy Earth Day! The Next Generation Air Transportation System (NextGen) is the modernization of America's air transportation system to make flying safer, more efficient, and more predictable. NextGen is not one technology product or goal but an effort to transform technologies that are being developed and implemented after thorough safety testing. NextGen also aims to enable more aircraft to safely fly on more direct routes, reducing delays, carbon emissions, fuel consumption & noise.

[Read more](#) about NextGen from National NextGen Representative for NATCA Adam Rhodes (Houston TRACON, I90).

Congratulations to Our Newest FacReps!

The NATCA Onboarding Committee welcomes and thanks all new NATCA leaders who have recently taken office for their terms as FacReps at their local facilities.
