

President Biden Addresses AFL-CIO Executive Council

On July 10, NATCA President Rich Santa joined other leaders of AFL-CIO labor unions in meeting with President Biden. NATCA is one of the 60 AFL-CIO unions, and Santa is a member of the AFL-CIO Executive Council. During his address to the group, Biden spoke about the power of unions and his longstanding support for them. He articulated his vision for an economy built “from the bottom up and middle out.” Biden thanked the union leaders for their support and outlined his plans for the future.
