

Exciting News: NATCA Welcomes Members from Nine Newly Organized Facilities

NATCA is proud to represent air traffic control specialists at 142 Federal Contract Towers, managed by Midwest Air Traffic Control Services, Robinson Aviation (RVA), Inc., RVA-CI Squared Aviation, Inc., and Serco Management Services, Inc. These towers typically employ between five and 10 controllers, many of whom are retired FAA and military personnel. Additionally, NATCA represents specialists at Department of Defense (DoD) towers, including Marine Corps Air Station Cherry Point (NKT), Kalaeloa Tower (JRF), Los Alamitos Army Airfield (SLI), Wheeler Army Airfield (HHI), and 259th ATC Squadron Louisiana National Guard (AEX).

NATCA Welcomes Members from Nine Newly Organized Facilities

July 2024

Today, we're thrilled to spotlight and welcome the members from these newly organized facilities who recently voted to join NATCA in the past few months: Stennis Federal Contract Tower (HSA), Jefferson City, Mo. (JEF), Cuyahoga County FCT (CGF), Charlottesville, Va. (CHO), Lebanon FCT (LEB), Burke Lakefront FCT (BKL), Columbus/Ohio State FCT (OSU), Austin Executive FCT (EDC), and Vance AFB (END).

We extend a warm welcome to all our new members and look forward to supporting their critical role in maintaining the safety and efficiency of our national airspace.

NATCA Member Attends Event for U.S. Representative Marc Molinaro

Jeffrey Sieczkarski (Rochester ATCT, ROC) recently attended an event with U.S. Representative Marc Molinaro (N.Y.-19), which was also attended by Rep. Lori Chavez-DeRemer (Ore.-5). Sieczkarski thanked the pair of representatives for their support on FAA Reauthorization throughout the legislative process.
