## NATCA UPDATE FROM PRESIDENT NICK DANIELS ON OPM EMAIL

NATCA Family,

We are actively pushing at every level for clear, actionable guidance regarding the [HR@opm.gov](mailto:HR@opm.gov) email. As stated, management is responsible for providing direction, assigning work, and ensuring clarity on this issue.

To protect our members and ensure consistency, **NATCA is creating facility-type/line of business and task-specific duty templates if the agency requires employees to respond to emails. The templates will be made available if necessary.**

In the meantime, if management directs you to take any action related to the OPM email, notify your local NATCA representative immediately. We will continue pressing for answers and we will provide updates as soon as we have them.

We stand together. Keep your representatives informed, and we will navigate this issue as one.

In Solidarity,

Nick Daniels  
NATCA President
