RNAV Volunteering and Engagement Survey

Brothers and Sisters,

During the 19th Biennial Convention in 2023, the Convention body passed a policy and position statement about RNAV inclusion (PSE-3). The language of PSE-3 states in part that, "NATCA will conduct a survey of the RNAV membership to ascertain at a minimum the RNAV membership's knowledge, skills, abilities, unique talents, and the RNAV member's ability/willingness/desire to use those talents for the benefit of our Union." The goal of this survey is to identify areas of interest and expertise that retired members possess and would be interested in utilizing to assist our Union.

This is a brief survey and should not take more than a few minutes to complete. If your skillset and availability match NATCA's current volunteer needs, a representative from the RNAV Committee will follow up with you to provide more information on how to get involved.

Thank you for taking the time to complete the survey.
