New Orleans | March 10-11

Billings, Mont. | April 2-3

**NATCA Members, Family, and Friends Have Sent  
More Than 27,000 Messages Calling on Congress to  
Protect Our Retirements...Let's Keep These  
Messages Coming!**

Since our Union launched a campaign on Monday evening, NATCA members and our allies have sent more than 27,000 messages to members of Congress calling on them to protect the federal retirement benefits of air traffic controllers and other public safety professionals. Let's keep this momentum going!

# TAKE ACTION TO PROTECT FEDERAL RETIREMENT!

**VISIT [NATCA.ORG/ACTIONCENTER](https://natca.org/actioncenter) TODAY!**

Our Union's Action Center makes this process easy. It only takes a few minutes for participants to send messages to their U.S. Senators and Representatives. These messages are important! Lawmakers need to hear from as many people as possible about the urgent need to protect Federal Employees Retirement System (FERS) by preserving current benefit levels, including the supplemental annuity, and opposing any increase in employee contributions to FERS or Federal Employees Health Benefits Program (FEHB).

You do not have to be a NATCA member to participate. Any concerned constituent has the right to reach out to their political representatives. Ask your family members, friends, and neighbors to help protect your retirement by joining our movement.

To learn more about this issue and tell your members of Congress that you strongly support preserving FERS, visit [natca.org/actioncenter](https://natca.org/actioncenter).

# Archie League Medal of Safety and Region X Commitment to Safety Award Nominations Are Due by May 15

We are currently accepting nominations for the 2025 Archie League Medal of safety Awards and the Region X Commitment to Safety Award. For Archie nominations, we are looking for the best saves that occurred at your facilities between May 1, 2024 and April 30, 2025.

The Region X Commitment to Safety Award is given annually to a Region X member or team who has shown a profound dedication to ensuring the safety of the National Airspace System (NAS). The peer-nominated award is to recognize members for their dedication to safety, and any Region X member in good standing can be nominated for work done since May 1, 2024 in their role as an aviation safety professional.

The deadline to submit nominations is May 15. More information about these awards and the nomination forms can be found in the Awards section of [our website](#).

Our banquet celebration for the winners will be held at Communicating For Safety in Las Vegas on Wednesday, Sept. 17, 2025.

If you have questions or are having trouble collecting all nomination materials, please email [outreachandevents@natca.org](mailto:outreachandevents@natca.org).
