Glen Rose, Texas | March 2025

“Every time we hold a LEAP class, we get to see what the future of our Union will look like,” Grampp said. “Each attendee brings their unique experiences and perspectives to the conversations, and we all get to learn and grow as leaders because of it.”

LEAP provides members with the tools to lead effectively, inspire their peers, and contribute to NATCA’s success. This latest class continues NATCA’s investment in its members, ensuring a strong and unified voice for the future.
