

## **NATCA President Speaks on Panel at ALPA Legislative Summit**

NATCA President Nick Daniels participated in the annual Air Lines Pilots Association (ALPA) Legislative Summit on Monday, June 3, 2025 in Washington, D.C. Daniels spoke on a panel with the Chair of CANSO Tim Arel and the President of ALPA Capt. Jason Ambrosi.

The three panelists discussed the challenges that face the National Airspace System, and Daniels highlighted the need to work with the Federal Aviation Administration (FAA) and the Department of Transportation to supercharge staffing of air traffic controllers and modernize the air traffic control system and

its facilities.

## Join the ATSAP Webinar on July 15, 12 p.m. EDT

Join ATSAP's quarterly webinar on July 15 at 12 p.m. EDT. This collaborative webinar will provide an overview of the ATSAP process, why it is important to file reports, and how reports are being used to enhance safety within our national airspace system. This webinar is open to all members. Please email [VSRP@natca.net](mailto:VSRP@natca.net) to register.

A green-tinted graphic for the ATSAP Webinar. It features the ATSAP logo (a stylized green star with the text 'atsap' and 'Air Traffic Safety Action Program' below it) in the top left. The main title 'ATSAP WEBINAR' is in large, bold, green capital letters. Below the title is a bulleted list of topics. At the bottom left, there are two green rounded rectangular buttons: one with a calendar icon and the text 'July 15, 2025', and another with a clock icon and the text '12 p.m. EDT'. At the bottom, a line of text says 'To register, email VSRP@natca.net'. The background of the graphic shows a white commercial airplane flying through a layer of white clouds against a light green sky.

## June Calendar Highlight: Springfield ATCT (SGF)

For June, the 2025 NATCA wall calendar features a photo of Springfield ATCT (SGF) taken by Tyler Hansen (Charlotte ATCT, CLT).

Springfield Tower is a part of a publicly owned airport in Springfield, Missouri, 190 miles southwest of St. Louis and 150 miles southeast of Kansas City. The airport serves four commercial airline carriers, as well as a flight school, and a variety of other aircraft.
