## **Congratulations to the 2025 NATCA Scholarship Recipients**

Every year, NATCA offers a scholarship program for spouses, children, stepchildren, and legally adopted children of active, retired, and deceased members in good standing for at least two consecutive years. This scholarship is for full-time attendance at accredited colleges and universities within the United States and its territories for an undergraduate degree program.

This year's prompt asked candidates to examine factors that can strengthen or weaken labor unions.

For the 2025 scholarship, NATCA selected 21 winners, including one President's Award winner – Baron Roberts. Baron is the child of deceased member Bryan Roberts.

***CONGRATULATIONS!***
