## Understanding ATSAP for NATCA Members

### Empowering Safety Through Collaboration and Reporting

The National Air Traffic Controllers Association (NATCA) is dedicated to fostering professional excellence and promoting the highest standards of safety in the National Airspace System. In pursuit of these goals, NATCA members play a pivotal role in shaping the future of aviation safety, not only through their daily operational expertise but also by actively participating in initiatives that strengthen the culture of safety. One of the most significant programs in this endeavor is the Air Traffic Safety Action Program (ATSAP).

This webinar is tailored for NATCA members who want to understand ATSAP's benefits and learn how to use it to foster constructive change. Whether you're new or experienced, the session offers insights and answers.

ATSAP is a voluntary, confidential, and non-punitive reporting system managed by the FAA and NATCA. It enables air traffic professionals to report safety concerns and incidents without fear, supporting a culture of learning and continuous improvement.

Registration for the webinar is open to all NATCA members. Advanced sign-up is required to secure your spot. The webinar will be accessible via video conferencing, and attendees will have the opportunity to participate in real-time Q&A.

## Frequently Asked Questions

Some of the most common questions and concerns about ATSAP, which will be addressed in this webinar, include:

- How does ATSAP protect my identity and career?
- What types of incidents should I report?
- What happens after I submit a report?
- Can my report be used against me?
- How has ATSAP led to real changes in the workplace?
- What support is available if I have questions or need assistance?

## Details

### In person for those attending CFS:

- **Date and Time:** Sunday, Sept 14, 2025 2:30 - 3:30 p.m.
- **Location:** Horseshoe hotel Las Vegas, NV
  - Room location TBA
- **Duration:** 60 minutes, including dedicated Q&A
- **Registration:** Please email [vsrp@natca.net](mailto:vsrp@natca.net) to register. Advanced registration is required.

### Webinars:

- **Dates and Times:**
  - Thursday September 25, 2025 1:00pm EDT WSA ERC members presenting
  - Tuesday, October 7, 2025 1:00pm EDT ESA ERC members presenting
  - Thursday, October 9, 2025 1:00pm EDT CSA ERC members presenting
  - Monday, October 20, 2025 1:00pm EDT All ERC members presenting
- **Duration:** 60 minutes, including dedicated Q&A
- **Location:** Virtual (connection details provided upon registration)
- **Registration:** Please sign up by emailing [vsrp@natca.net](mailto:vsrp@natca.net). Advanced registration is required.

## Join the Conversation

We encourage you to take advantage of this opportunity to enhance your knowledge, expand your network, and help shape the future of air traffic safety. Your participation and input are key to the continued success of ATSAP and the safety of our skies.

If you have questions or would like further details, please reach out to Cher Oxenburgh, NATCA VSRP Rep ([VSRP@natca.net](mailto:VSRP@natca.net))
