

Advance Your Personal and Career Goals With 150+ Career-Focused Programs

25% Tuition Reduction* for NATCA Members, Employees, and Retirees

Since 1971, National University has helped working adults achieve their education and career dreams. Now we're partnering with NATCA to offer a 25% tuition reduction scholarship for NATCA members, employees, and retirees interested in earning a university degree with exclusive tuition savings. Spouses and dependents are also eligible for tuition reductions of 15%. NU's variety of degree programs and flexible course formats are backed by a holistic approach to learning that offers financial, academic, career, family, and wellness support to help you stay on track, finish faster, and fulfill your personal and professional goals.

Why National University?
