GHATCA MESSAGE OF SUPPORT TO NATCA — U.S. AIR TRAFFIC CONTROLLERS

October 20 — International Day of the Air Traffic Controller

On this special day, the Ghana Air Traffic Controllers' Association (GHATCA) extends warm solidarity to our colleagues of the National Air Traffic Controllers Association (NATCA) in the United States.

We recognize the difficult situation you face and deeply admire your professionalism, strength, and commitment to keeping the skies safe in spite of the challenges. Your resilience reflects the true spirit of our profession.

Across borders, we share one purpose and one passion — safety, service, and dedication. Please know that your colleagues in Ghana and around the world stand firmly with you.

In solidarity,
GHATCA — Accra, Ghana
