

The following modifications were made after the publishing of the January 2026 PPT/ETT. These modifications reflect changes that took place prior to the deadline, but were not reflected in SWB prior to publishing. Additionally, the agency will now be including Other Than Controller Workforce (OTCWF) outbounds, such as TMC, SSS, and OS outbounds, in the PPT/ETT at the time of selection instead of waiting for these BUEs to receive their FOL.
