

NEB Telcon Meeting Minutes

September 28, 2010

The meeting was called to order by President Paul Rinaldi, and the following members attended the conference call:

Paul Rinaldi, President
Trish Gilbert, Executive Vice President
Barry Krasner, Executive Director
Ham Ghaffari, Western Pacific Regional Vice President
Kevin Peterson, Central Regional Vice President
Tim Smith, Southwest Regional Vice President
Jim Ullmann, Northwest Mountain Regional Vice President
Michael Robicheau, New England Regional Vice President
Victor Santore, Southern Regional Vice President
Mike MacDonald, Region X Vice President

Also in attendance was Abigail Glenn-Chase.

ERAM: Live run at ZLC supposed to be done last night. Seattle is scheduled for this weekend. The Safety Committee got involved on the Mode C issue.

Guam Loss of Base Privileges: Trish is working with the FAA to identify the extent of the harm to our members there. We are also working with the Administrator and others on restoring the privileges as soon as possible. The red tape dealing with others on reversing an action two years in the making is tremendous. The parties are also trying to identify who knew what when and why action was not taken nor the proper authorities notified of the need for a waiver for FAA employees in Guam.

OSI Group: Kevin Peterson, Steve Hansen and Garth Koleszar will work with FAA counterparts on identifying controllers that did not get an OSI because they had an error.

FAA Website: Outside access to MyFAA website will be shut down today. Only FAA email addresses and passwords will be able to access the site. Barry submitted a list of emails from the National Office to be granted exception from this restricted access. NATCA will file the appropriate paperwork on the impact to the membership on this unilateral change.

ESEP: Mike received and then disbursed the letter from the FAA notifying us that ESEP is officially over. The parties will now work collaboratively on what future Engineering Services will look like.

Region X Membership Drive: Kelly had an idea to put a 3-5 minute video out to feature a

few people to discuss why they are a part of NATCA. NEB agreed to pursue making and using the video for the organizing drive.

Membership Telcons: Trish and Paul will be hosting membership telcons at the end of the year to brief on the highlights of 2010. Expect times and dates sometime in December.

A handwritten signature in cursive script, appearing to read 'Patricia Gilbert', written over a horizontal line.

Patricia Gilbert
NATCA Executive Vice President
