Retirement: The medically retired are eligible for retired membership as long as they were NATCA members when they retired.

OshKosh: We are working through the VP for Operations (Ducharme) to engage the Service Area on getting a frequency for the event. We also need to push the FAA to work with the controllers on better procedures as well.

MOU on Security: The MOU has been agreed to, we are waiting on signatures now. In the meantime, Melinda Kim (NATCA LR) was notified that the agency had another breach. We are trying to get more specifics but apparently a former FAA employee now working for TSA compromised FAA data he had on a FAA laptop. (Robey)

ERAM: Interface problems with ATOP and ERAM are being addressed. Seattle is still up and running.

Training: Ham and his FAA counterpart are taking a trip out to OKC on 1/19 to audit some of the training classes. (Ham)

Tuition reimbursements: Leslie Habig's tuition reimbursement was approved in accordance with SRF-14. (Jim)

Region X Membership Drive: January dates are being selected for visits to the ROs. (Mike MacDonald)

Training Slots: Larry asked about a 5<sup>th</sup> class for basic rep training. Or more slots for Alaska. Ham offered to send Hull and/or Garth to Alaska and train 20 people there. In exchange AK region will give up their slots for the classes scheduled in the lower 48. Larry and Ham to work together. (Larry)
